BOARD OF DIRECTORS SPECIAL MEETING AGENDA

SMCSD Boardroom

1150 Mission St.

San Miguel, CA 93451

Cell Phones: As a courtesy to others, please silence your cell phone or pager during the meeting and engage in conversations outside the Boardroom.

Americans with Disabilities Act: If you need special assistance to participate in this meeting, please contact the CSD Clerk at (805) 467-3388. Notification 48 hours in advance will enable the CSD to make reasonable arrangements to ensure accessibility to this meeting. Assisted listening devices are available for the hearing impaired.

Public Comment: Please complete a "Request to Speak" form located at the podium in the boardroom to address the Board of Directors on any agenda item. Comments are limited to three minutes, unless you have registered your organization with CSD Clerk prior to the meeting. If you wish to speak on an item not on the agenda, you may do so under "Oral Communications." Any member of the public may address the Board of Directors on items on the Consent Calendar. Please complete a "Request to Speak" form as noted above and mark which item number you wish to address.

Meeting Schedule: Regular Board of Director meetings are generally held in the SMCSD Boardroom on the fourth Thursday of each month at 7:00 P.M. Agendas are also posted at: www.sanmiguelcsd.org

Agendas: Agenda packets are available for the public inspection 72 hours prior to the scheduled meeting at the Counter/ San Miguel CSD office located at 1150 Mission St., San Miguel, during normal business hours. Any agenda-related writings or documents provided to a majority of the Board of Directors after distribution of the agenda packet are available for public inspection at the same time at the counter/ San Miguel CSD office at 1150 Mission St., San Miguel, during normal business hours.

- I. Call to Order: 7:00 PM**
- II. Pledge of Allegiance:**
- III. Roll Call:**
- IV. Adoption of Special Meeting Agenda**
- V. Public Comment and Communications (for items not on the agenda):**

Persons wishing to speak on a matter not on the agenda may be heard now; however, no action will be taken until placed on a future agenda. Speakers are limited to three minutes. Please complete a "Request to Speak" form and place in basket provided.

- VI.**
 - 1. DISCUSS STATUS OF PUBLIC SAFETY IN THE COMMUNITY OF SAN MIGUEL WITH REGARDS TO CRIME (Kalvans)**

Recommendation: Report Attached

VII. BOARD COMMENT:

This section is intended as an opportunity for Board members to make brief announcements, request information from staff, request future agenda item(s) and/or report on their own activities related to District business. No action is to be taken until an item is placed on a future agenda.

Board of Directors**

Presidents Report

August 9, 2017

AGENDA ITEM: VI-1

SUBJECT: Discuss Status of Public Safety in the Community of San Miguel with regards to crime.

PRESIDENTS RECOMMENDATION:

Recommends that the Board of Directors hear from the public and law enforcement agencies regarding the status of crime in San Miguel, and discuss any possible solutions.

BACKGROUND:

The community has been hit by a recent wave of criminal activity from vandalism, to residential and commercial burglaries, to gunshots. Residents have requested that more be done to protect the community. There have also been calls in the past for a substation.

The sheriff's department reported back at the July 27th meeting that there were 1479 calls for service since the beginning of the year. That report did not include contacts the sheriff deputies made on their own. The Board President asked for a special meeting to further discuss the matter. Several CSDs around the state have some form of working partnership with the sheriff's department or programs to reduce crime in their own communities. Screenshots of their CSDs services are attached.

Attached to this report is a copy of a report from the San Luis Obispo County Sheriff's Department regarding the recent number of calls they have received in the community.

FISCAL IMPACT:

There is no immediate fiscal impact by this item, however depending on direction given to staff there could be a fiscal impact.

PREPARED BY:

Anthony Kalvans

District adopted road construction standards, which are similar to County requirements, for the construction of primary, secondary and cul-de-sac roads. Each year prior to the adoption of the budget, District Staff performs a visual inspection of all District maintained roads. Budget workshops are held and public input is encouraged. Recommendations are made to the Board of Directors for the improvements needed with final adoption made thru the Public Hearing process.

Traffic Control

The District is responsible for local review of traffic situations, and when appropriate, adopts ordinances for the erection of traffic control signs. Additionally, the District is involved with the conditioning of parcel maps at the County approval level, allowing for the evaluation of subdivisions and how they will affect the existing roads.

Excessive speed on District roads is always at the top of the list of residents' concerns. In 2001, the Temecula Office of the California Highway Patrol added the District to its regular patrol area. Both the CHP officers and the District's Deputy Sheriffs can use radar to enforce speed laws in the District.

Extended Police Protection

In past years, the District experienced immense problems with avocado theft, burglaries, trash dumping, reckless driving, abandoned cars, and illegal camps. The District property owners determined that the level of service provided by the County was not adequate, and beginning in 1989, the District contracted with the County for a Deputy Sheriff dedicated to serving our area. This situation proved so successful that in 1990, the District was asked by the property owners to increase the level of contract deputies to two. Unfortunately, due to accumulated rate increases by the Sheriff's Department and the constraints of Proposition 218, staffing level was returned to one Deputy in 2014.

Refuse Collection

Trash collection responsibility is exercised with a franchise agreement with CR&R, Inc

Growth

After many years of modest growth, development of new homes in the District accelerated in 1999. As a result of the increased rate of growth and its impact upon the roads, in 2001 the Board approved a road "Development Impact Fee (DIF)" on all new residences, Second Units and Guest Houses. The fees are payable prior to final inspection by Riverside County, and differ

SUPPLEMENTAL LAW ENFORCEMENT

The District has been contracting California Highway Patrol (CHP) to augment vehicle code enforcement in Pebble Beach since October 2006. The service has been established in response to significant concerns expressed in the December 2005 Community Survey on Traffic and Safety Issues in Del Monte Forest and continuing feedback to the Del Monte Forest Property Owners Traffic/Safety Committee. Over fifty percent of the Community Survey respondents had identified speed and reckless driving as a major neighborhood problem.

Upon analysis of the survey responses, the Del Monte Forest Property Owners (DMFPO) requested the District to augment existing CHP and Monterey County Sheriff law enforcement efforts. District Board approved providing supplemental services and financing them from the District's available current revenue at no additional cost to the residents. As required by State Law, the District obtained approval from Local Agency Formation Commission (LAFCO) of Monterey County to provide this service. The District Board allocated \$170,000 for supplemental CHP services in the current fiscal year to assist in addressing speeding problems and pedestrian safety issues.

The District also has three radar speed display units that are rotated between twelve sites to provide vehicle speed feedback to drivers and to collect speed data for analysis. In selection of the sites, the District used the "top 10" traffic hot spots identified by the community survey respondents and input from maintenance staff, residents, and Pebble Beach Company.

SPEED LIMIT

Residents, contractors, employees, students, and visitors should pay close attention to posted 25 mph speed zones in residential and school areas.

GRAFFITI ABATEMENT

Font Size: [+](#) [-](#) [+ Share & Bookmark](#) [Feedback](#) [Print](#)

Graffiti - Art or Vandalism?

Graffiti, at times, may appear innocent and may even be 'artistic'. However, whether graffiti is of the 'tagging' kind (an individuals attempt at expression) or gang related (claiming an area for themselves), both are a crime. Placing graffiti on a person's or business's property without their permission is vandalism and punishable under law.

The Graffiti Abatement program is responsible for the abatement of graffiti on private and public property in Rosamond. By removing this eyesore, the community is saying; no, we're not going to allow this.

How do we do it?

We have a public works truck equipped with a high pressure - compressed air system. Call the District at 256-3411 and report any 'signs' of graffiti in your area.
