

San Miguel Community Services District

BOARD OF DIRECTORS

John Green, President Anthony Kalvans, Director Ashley Sangster, Vice-President Hector Palafox, Director Joseph Parent, Director

THURSDAY, December 19, 2019 6:30 P.M. Closed Session 7:00 P.M. Opened Session BOARD OF DIRECTORS REGULAR MEETING AGENDA

SMCSD Boardroom 1150 Mission St. San Miguel, CA 93451

Cell Phones: As a courtesy to others, please silence your cell phone or pager during the meeting and engage in conversations outside the Boardroom.

Americans with Disabilities Act: If you need special assistance to participate in this meeting, please contact the CSD Clerk at (805) 467-3388. Notification 48 hours in advance will enable the CSD to make reasonable arrangements to ensure accessibility to this meeting. Assisted listening devices are available for the hearing impaired.

Public Comment: Please complete a "Request to Speak" form located at the podium in the boardroom in order to address the Board of Directors on any agenda item. Comments are limited to three minutes, unless you have registered your organization with CSD Clerk prior to the meeting. If you wish to speak on an item not on the agenda, you may do so under "Oral Communications." Any member of the public may address the Board of Directors on items on the Consent Calendar. Please complete a "Request to Speak" form as noted above and mark which item number you wish to address.

Meeting Schedule: Regular Board of Director meetings are generally held in the SMCSD Boardroom on the fourth Thursday of each month at 7:00 P.M. Agendas are also posted at: www.sanmiguelcsd.org

Agendas: Agenda packets are available for public inspection 72 hours prior to the scheduled meeting at the Counter/ San Miguel CSD office located at 1150 Mission St., San Miguel, during normal business hours. Any agenda-related writings or documents provided to a majority of the Board of Directors after distribution of the agenda packet are available for public inspection at the same time at the counter/ San Miguel CSD office at 1150 Mission St., San Miguel, during normal business hours.

BOARD OF DIRECTORS

John Green, President Ashley Sangster, Vice President Anthony Kalvans Joe Parent Hector Palafox

Re: DISTRICT ENGINEER REPORT - DECEMBER 2019

Gentlemen:

The following is a summary of the activities performed and the status of relevant issues which pertain to the duties and responsibilities of this position:

OVERVIEW

The District produced approximately 7.7 MGAL (10,247 CCF) of water during the month of November 2019. This represents a decrease of approximately 7% from the prior month. Several punctures were discovered in the WWTP Pond #2 HDPE liner during the month. The Director of Utilities has drained the pond and assessed the damage. He is currently awaiting cost proposals from qualified contractors to make the necessary repairs. No other significant issues were encountered in the District's infrastructure during the previous month.

MEETING PARTICIPATION

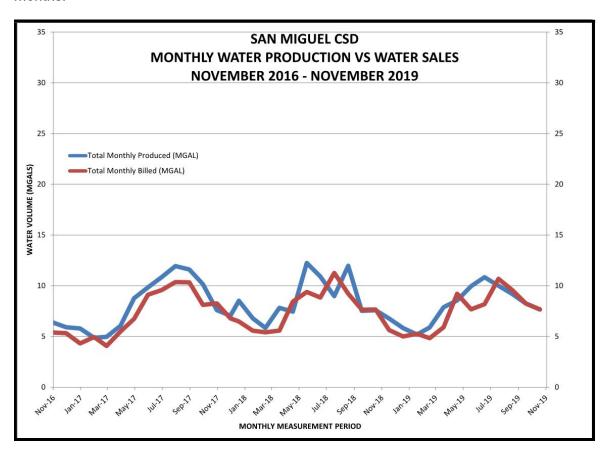

A brief summary of relevant issues that were discussed during meetings attended by the DE during the previous month are summarized below. (Note that routine meetings with SMCSD staff are not included):

 December 6, 2019: The DE participated in a meeting between all Paso Robles Groundwater Basin GSP Cooperative Committee staff in which the participants met with representatives of GSI Water Solutions, Inc. to "Kick-Off" the GSP 1st Annual Report project.

CIVIL ENGINEERING / HYDROLOGY

WATER PRODUCTION HISTORY

The following graph depicts the water production and sales for the proceeding 36-months.

CAPITAL IMPROVEMENT PROGRAM

The following is a summary of the principal activities that were related to the Capital Improvements Program during the previous month:

- WWTP Aeration System Upgrade: Conversations with the County and PG&E indicate that the program may be modified to allow for the funding to be used to partially fund the proposed WWTP expansion / upgrade project. The DE and the Director of Utilities are planning to meet with the County and PG&E representatives in early 2020 to further explore this option,
- 2. Wastewater Treatment Plant Renovation / Upgrade & Recharge Basin Design Phase: The District has received and executed an agreement with the DWR Waterboard for funding in the amount of \$250,000 for Planning & Design for the Wastewater Treatment Plant renovation. The Board approved an agreement with Monsoon Consultants to provide project management and design services for this project at their October 2019 Board meeting.
- 3. 10th & 11th Street Waterline Replacement Project: The District has been awarded a \$350,000 CDBG grant for partial funding of this project. The project has been designed and plans / bidding documents are being updated for bid advertisement in early 2020. The Director of Utilities has received bids from several

environmental firms for the Kit Fox survey that is required prior to construction. The DE is in the process of preparing encroachment permits for the work to be performed in the UPRR and Caltrans right-of-ways.

DEVELOPMENT

The following is a summary of private development projects that are either in-progress or planned that staff is currently reviewing or inspecting during construction:

- a) People's Self Help (Tract 2527, formerly Mission Garden Estates): The developer has completed the installation of all infra-structure and home construction has either been completed or is underway on 40 homes. In addition, construction of 20 new homes has either been completed or been started in the portion of the development that was acquired by Nino Development. All lots in this Tract have finished homes or homes that are under construction. There are no additional vacant lots.
- b) <u>Tract 2779 (Nino 34 lots)</u> All underground utilities have been installed and paving operations have been completed. New home construction is anticipated to begin by Nino Development immediately after the ongoing work in Tract 2527 has been completed.
- c) <u>Tract 2647 Hastings The Bluffs</u> The developer has started construction on the initial three (3) residences.

GROUNDWATER SUSTAINABILITY AGENCY

The Montgomery & Associates GSP Consultant Team has completed the FINAL DRAFT of the complete Paso Robles Groundwater Basin GSP. The document has been posted on the County of San Luis Obispo GSP website.

The Board approved and adopted the 2019 Groundwater Sustainability Plan (GSP) for the Salinas Valley – Paso Robles Area ("Paso Basin") at the November 21, 2019 GSA meeting. The County of San Luis Obispo and the City of Paso Robles are scheduled to consider approval and adoption of the GSP at their December meetings. The Shandon San Juan Water District approved and adopted the GSP at their November Board meeting.

I would like to take this opportunity to thank each of you and District staff that will review the information contained in this report. If there are any questions or you wish to discuss, please do not hesitate to contact me.

Respectfully Submitted, MONSOON CONSULTANTS

_Blaine T. Reely

UTILITY STATUS REPORT

11-16-19 Thru 12-9-19

AGENDA ITEM# IX.9

Well Status:

- Well 4 is fully operational Well Level 82 11-4-19
- Well 3 is fully operational Well Level 110 11-4-19
- SLT well is in service Well Level

Water System status:

Water leaks this month: 1 This year: 16

Water related calls through the alarm company after hours this month: 0 this Year: 7

• On 12/1/19 Well three had another failure, the pump and motor were pulled on 12/6 and a fault was found in the wire. The wire was repaired and tested and the well put back in service.

Sewer System status:

Sewer overflows this month: 0 this year: 0

Sewer related calls through the alarm company this month: 0 this Year: 0

WWTF status:

- As discussed at the last Board meeting the aerator in Pond 1 has failed.
- Pond 2's liner is damaged and needs to be repaired immediately.
 - SWRCB has been notified and staff is working with them to make repairs in compliance with their recommendations.

State Water Resources Control Board (SWRCB):

• Nothing new to report

Lighting status:

- Working with PGE Rep to get remainder of the PGE owned street lights converted to LED.
- Working on converting decorative street lights on mission to LED, a replacement bulb and configuration has been found and is being tried. Overall project cost will be significantly cheaper than previous estimates.

Solid Waste:

- Working with IWMA on specifics for the HHW site and IWMA funding for the site.
- Staff is currently working on revising the District Solid Waste Ordinance.

Project status:

• Working with PGE and Energy Watch to look at potential options to upgrade well pumps and controls to be more energy efficient.

• Working with San Miguel Chamber to get repairs made to the irrigation along Mission street.

Board requested information:

- Currently working on updating the inventory of tools and materials at the WWTF and Wells. Once complete we will be auditing the existing inventory and updating our photographic records of all inventoried items.
- Currently updating SOPs for Water and Wastewater field operations

Community Development Block Grant (CDBG)

• Working with the County on preliminary paperwork for CDBG funding to replace water lines on 10th and 11th streets (initial meeting 7/18/19)

WWTP expansion and Aerator Upgrade

• See additional agenda item(s) for ongoing information

"N" St Property Acquisition:

• The County is currently going through the process to sell the N street properties through their real property surplus process. I spoke with the County and Supervisor Peschong's office and they are going to see what can be done to assist the District in purchasing the property. There isn't currently a price associated with the property, but the District will be able to acquire the property before a private party has the option. As information is available it will be passed on to the Board. (3/2019)

SLO County in San Miguel:

• County Planning has a CalPoly Intern who will be doing a project regarding water conservation in San Miguel. She will be working with the District to develop outreach customers to help them learn how to save water through retrofits and other changes. Updates will be provided to the Board as needed.

Caltrans in San Miguel:

• Caltrans is underway on improvements to the HWY 101 corridor, for what will be a 2-year project. There are numerous on/off ramp closures (7-2019)

Rain in San Miguel:

2018	9"
1/5-6/19	.75"
1/7-17/19	1.75"

San Miguel Community Services District

Regular Board Meeting Staff Report

DECEMBER 19, 2019

AGENDA ITEMS: X-1

SUBJECT: Discuss and Approve **Resolution No 2019-42** establishing calendar year 2020

Regular Board of Director Meeting Dates

STAFF RECOMMENDATION:

Approve **Resolution 2019-42** establishing Regular Board Meeting Dates for calendar year 2020

BACKGROUND:

The requirements of the District's Board of Director bylaws and also State laws specify setting local agency meetings by elected boards, city councils, special districts and other agencies to with regular scheduled public meetings.

The proposed schedule and resolution are based on the District requirements to hold its monthly meetings on the fourth Thursday of each month, except in November and December 2020, when holidays affect those regular meeting dates.

The attached resolution will set the schedule for Calendar Year 2020 Regular Board meetings by date.

PREPARED BY:

Tamara Parent

Board Clerk/Accounts Manager

Attachment: Resolution No. 2019-42

Exhibit "A" Meeting Dates

RESOLUTION NO. 2019-42

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN MIGUEL COMMUNITY SERVICES DISTRICT ESTABLISHING BOARD OF DIRECTOR REGULAR MEETING DATES AND TIMES FOR 2020 CALENDAR YEAR

WHEREAS, San Miguel Community Services District ("SMCSD") authority for fire protection, water, wastewater, solid waste collection/disposal and street lighting infrastructure and services within the district,

WHEREAS, ("SMCSD") Board of Directors ("Board") is required by District ordinance to hold and conduct regular monthly public business meetings, hereby determines its intent to establishing calendar year dates and times for regular Board of Director meetings for 2020, and

NOW THEREFORE, BE IT RESOLVED, the Board does, hereby, adopts the 2020 Calendar for Regular Board of Director Meeting Agenda dates and times as set forth on Exhibit "A" attached hereto.

BE IT FURTHER RESOLVED, this Resolution shall remain in full force and effect until rescinded by the Board by resolution.

On the motion of Director ______seconded by Director_____ and on the following roll call vote, to wit:

AYES:
NOES:
ABSENT:
ABSTAINING:

The foregoing Resolution is hereby passed and adopted this 19th day of December 2019.

John Green, President
Board of Directors

ATTEST:

Robert Roberson, Interim General Manager

APPROVED AS TO FORM:	
Tamara Parent	Douglas L. White, District General Counsel
Board Clerk/Accounts Manager	
Attachments: Exhibit A: 2019 Calendar Year – Board	Meeting Dates

RESOLUTION 2019-42

EXHIBIT "A" CALENDAR YEAR 2020

REGULAR BOARD OF DIRECTOR MEETING DATES AND TIMES

Meeting Times shall begin at 7pm, every Thursday of each month, unless otherwise noticed

THURSDAY-- JANUARY 23, 2020

THURSDAY--FEBRUARY 27, 2020

THURSDAY--MARCH 26, 2020

THURSDAY-- APRIL 23, 2020

THURSDAY--MAY 28, 2020

THURSDAY--JUNE 25, 2020

THURSDAY—JULY 23, 2020

THURSDAY--AUGUST 27, 2020

THURSDAY—SEPTEMBER 24, 2020

THURSDAY—OCTOBER 22, 2020

THURSDAY—NOVEMBER 19, 2020 **

THURSDAY—DECEMBER 17, 2020 **

** = This meeting date is not the regular 4th Thursday of the month due to conflict with Thanksgiving holidays on November 26 and 27th, 2020 and Christmas holidays on December 24th and 25th, 2020.

Special Board meeting dates and times may be established or set by the Board of Directors pursuant to adopted Board policy and applicable procedures.

Adopted by Board Action on: <u>December 19, 2019</u>

SAN MIGUEL COMMUNITY SERVICES DISTRICT BOARD OF DIRECTORS NOVEMBER 14, 2019 FUNCTIONAL SPACE WORK SESSION

MEETING HELD AT DISTRICT OFFICES 1150 MISSION STREET SAN MIGUEL, CA 93451

- **I.** Meeting Called to Order by President Green − 6:02 p.m.
- **II.** Pledge of Allegiance led by Director Kalvans.
- III. Roll Call: Directors Present: Green, Sangster, Kalvans, and Parent (Arrived at 6:36 P.M.)
 Directors Absent: Palafox
 District Staff in attendance: Interim General Manager/ Fire Chief Rob Roberson, Director of Utilities Kelly Dodds, Assistant Fire Chief Scott Young.
- IV. Adoption of Regular Meeting Agenda: Motion by Director Sangster to adopt Meeting Agenda as presented.
 Seconded by Director Kalvans, Motion was approved by vote of 3 AYES and 0 NOES 2 ABSENT.
- V. ADJOURN TO CLOSED SESSION: None
- VI. Call to Order for Regular Board Meeting/Report out of Closed Session: None
- VII. Public Comment and Communications for matters not on the Agenda: None
- VIII. Special Presentations/Public Hearings/Other: None
- IX. STAFF & COMMITTEE REPORTS: None
- X. CONSENT ITEMS: None
- XI. BOARD WORK SESSION ITEMS:
 - 1. Discuss, District Functional Space in a Work Session.

Item was presented by Director of Utilities Kelly Dodds explaining the building plan map. Discussion ensued about the office space that is mandatory (including OSHA requirements) and the office space that could be added to relieve some of the space issues the CSD is experiencing. Director of Utilities Kelly Dodds explained the personnel needed for the new Wastewater Treatment Facility. Director's asked questions during the presentation. Director Green asked about the personnel needs for the future. Director Parent asked about contracting out the facilities operations. Director of Utilities Kelly

Dodds explained that the cost is too excessive. Discussion ensued. Director of Utilities Kelly Dodds explained that three-quarters of the building is already required and to add offices would be very cost-effective. Discussion ensued about the number of people that come into the District office. 6.5 people a day visit the office to pay Utility Bills and method of payments was also discussed. Other business for the CSD has people coming into office as well. Eight people have come to the last four meetings total. Director of Utilities Kelly Dodds discussed the frontage road by railroad tracks for commercial traffic. The discussion ensued about deliveries. Director Parent asked how the building plans would change if the District decided to not build the office space. Director of Utilities Kelly Dodds explained that it will be a little shorter, but there would be a reorganization of the space and would be some dead space because the building is designed to have all equipment covered on the other side. Fire Department would have training space and there will be space for the recycling programs for electronics/mattresses. Director Green asked about the wastewater ponds and how far the building would be away from the wastewater ponds. Discussion ensued.

See Plans at: https://www.sanmiguelcsd.org/files/2afb6a06d/Merge+11-14-2019+Functional+Space+Work+Session.pdf

Director of Utilities Kelly Dodds explained the treatment process and the recycled water program. Discussion ensued about the wastewater lines and what material will be used. Previous liner issues were discussed. Director Sangster asked about the cost of a new liner? Replacement would be around sixty to eighty thousand dollars and patching would be around eighty-five hundred dollars. Director Kalvans asked how the liner got damaged; Director of Utilities Kelly Dodds explained it is underwater and there is really no way of knowing.

Director Green asked for Public Comment on items discussed.

Public Comment: Laverne Buckman San Miguel Resident had questions about having a Community Services District Offices on a dead-end street in a residential area. Mrs. Buckman voiced her concern about traffic. Discussion ensued about area and funding.

Director Green asked about a plan for the 1150 Mission Street Building. Assistant Fire Chief Scott Young voiced that this meeting was intended to discuss the Wastewater Treatment Facility only. Discussion ensued with Interim General Manager/Fire Chief Roberson explaining that they can't determine what to do with the Fire Department until we know what is decided with the Utilities Department. Director Green voiced that his intent is to look at all the space the District has and determine what the best use for space would be, then decide what build-out should be. Director Parent voiced that he was under the impression that by having the CSD non-emergency departments at this current location, it would restrict grants and funding for the Fire Department and asked if he was correct. Assistant Fire Chief Scott Young that this facility is "Essentials Needs Facility" and explained that because of that all construction must be built to a compliance of one and half times standard construction. Discussion ensued about what do about the knowledge of needed compliance. Director Sangster asked if this facility was strictly a Fire Station would that open the department up for grant funding from remodeling? General Manager/Fire

Chief Rob Roberson explained that the CSD is Fire, Water, Sewer, Lighting, and Solid Waste and doesn't feel like this would restrict any funding and explained that Templeton CSD has mixed space also. General Manager/Fire Chief Roberson voiced that he understands what the Directors want but explained that an actual floor plan would be determined on if the Utility moved or not. Discussion ensued about property lines and essential needs cost. General Manager/Fire Chief Roberson explained that there is a lot to look at and the District is expanding.

Directors voiced options with part of CSD staying for payments and other more confidential employees moving to the new facility, all ideas were discussed between directors and staff.

Director Green voiced that he did not feel it is appropriate to have District Board Meetings in a residential area and cannot in clear conscious bring that many customers down a residential road. Director Green asked that he would like to see a way to expand the existing meeting room/training room and have customers make payments at the current CSD building. Director of Utilities Kelly Dodds voiced that the District could not have one employee left at the existing office to take payment without some protection from the public. Discussion ensued about office space at the current location. Assistant Fire Chief Scott Young voiced that the vision is to increase the Fire Department staffing to perform as an effective Fire Department and recruit people for coverage.

Director Kalvans voiced that he thinks that the Board of Directors should take a step back and look at all of the CSD's properties and what the Districts needs really are. Interim General Manager/Fire Chief Roberson explained that this meeting was called for because of the need for more office space. It was explained that all plans will be looked at, but all things come with a price, and with the new facility being built it is the most cost-effective to look at. The District departments all have needs and the community has voiced that they want a Sheriff Substation; all these future needs need to be looked at.

Director Sangster voiced that he understands that having offices at the new facility is the most cost-effective for the office space needs but feels that the discussion is missing key components. Director Sangster explained that the Board is not seeing what the operational needs are for this current building for the from a Fire Department standpoint or a Sherriff Substation and there needs to be a discussion on what this building would look like if the other departments moved to the new facility.

Director Green voiced that permitting issues at the existing CSD location needs to be addressed. Director Green voiced that he feels the issues that need to be figured out is 1. Have a place for customers can come and make payment other than the new facility 2. A place to hold meetings other than the new facility 3. Fire Department growth. Discussion ensued.

Director of Utilities Kelly Dodds voiced that the issues are the same and reminded the Board that there is little to no funding for office buildings. Mr. Dodds recommends that we should not waste the space at the new treatment facility; that we could build out after a few years when the District is in better financial shape, and could afford to build something in the middle of town. Directors discussed the size of the new meeting room and what it could be used for. Director Green voiced that the people that have houses in that neighborhood have certain expectations when purchasing their homes, and it is not to have more traffic. Director Parent asked about the new facility and how the public will be protected from the treatment. Director of Utilities Kelly Dodds explained the fencing and the public will be

contained to the parking lot and front door. Mr. Dodds also explained that there will be recycling areas and dump station area.

Public Comment: Michelle Hido, San Miguel resident voiced that the District should ask the Post Office if they could take payments for the CSD.

Owen Davis, San Miguel resident voiced that he did not understand what the big deal about payment was and that he finds a way to pay his bill.

Laverne Buckman San Miguel resident voiced because there is not a master plan, she feels that other than the Wastewater Facility other District needs have been overlooked. Mrs. Buckman voiced that the Wastewater Facility is suspect, and doesn't know if they really even have to do it and voiced that she has still has not seen the supposed letter that the State had mandated the District to build a new Wastewater Treatment Facility. The Board had never come up with a plan of what they feel is needed for the CSD, and the different possibilities. Mrs. Buckman also, voiced that she understands that the Board has a lot of issues to deal with for the whole District and it is hard to find time but for this facilities issue the Board needs to decide which pieces need to be where and understands that some options mentioned would be a temporary fix for working out something different with the facilities. There are lots of options and the Board needs to stop throwing those options out because then you are just spinning your wheels.

General Manager/Fire Chief Roberson explained that the District has run in a reactive way and with ever-changing needs, and the District growth is expanding quickly. The Board and District need to plan ahead with this growth in mind and this option was the cheapest for the current District needs and would like to look further ahead. Discussion ensued about other entities needing space within the District offices.

Director Kalvans voiced that all the community services including the Post Office have no room and no money and the District should really look at partnering with these other entities to build something nice downtown. Director Kalvans expressed the need for a Master Plan of the needs of the District in the next five and ten years.

Director Green voiced that the District could stop taking cash. Discussion ensued about the different ways the District could take cash.

Director Parent voiced that the District does need a District Master Plan, but when you deal with authoring that kind of document it is fifty thousand dollars or more.

Director Kalvans thanked General Manager/Fire Chief Roberson for bringing up the District needing to be more proactive and voiced that the City of Paso Robles has the "Beautiful Mission San Miguel" under their budget (Pg. 19) community profile, they think the mission is part of the City of Paso Robles and voiced that this is why the District needs to be proactive.

Director of Utilities Kelly Dodds voiced that it seems like we are at a cross-roads and explained that everyone understands that the District has to move forward with the new Wastewater Facility, and some of the space is for Utilities and compliance with state regulations, but the Board needs to understand is the footprint would stay the same, just reconfigured if there will be no other District office space.

Director Green asked why the need for two bathrooms. Director of Utilities Kelly Dodds that they could lose a bathroom, but it was put there for the meeting room. Discussion about bathrooms and cost ensued. Director Green voiced that he has no problem with the

Wastewater facility but wants to control the cost and really doesn't want the public down there because it is a neighborhood.

Director of Utilities Kelly Dodds voiced that he needs direction from the Board at this point, and a decision to move forward or not; so, we can make changes to plans.

Director Sangster voiced that the new facility will have more people working out of the new office and that means more traffic, the 6.4 people coming to the office to pay their bill will not be the problem.

Public Comment: Laverne Buckman asked about how the distribution of cost and the feels that the Fire Department is not getting a fair shake. Discussion ensued about how much the General Manager/Fire Chief will be down there, and percentages of cost allocated.

Michelle Hido San Miguel Resident asked why the District doesn't have their meetings at the Community Center. General Manager/Fire Chief Roberson explained that the acoustic is bad and the charge for use.

Director Kalvans asked about the "Old Airport Property" and if the rumors were true that they will be building a community building? Assistant Fire Chief Scott Young voiced that they are looking at doing commercial multi-family and residential and open space. Director Kalvans asked if we could ask that they build a CSD building. Director of Utilities Kelly Dodds explained that they seem that they want to work with the community and their needs. The District staff could see if the developer would allow the District to build something on the land, but the District would have to buy the land and would have to build the building.

Director Parent voiced that he would have to leave due to a work issue. Director Green asked what his final word is. Director Parent voiced that he would like to have some outreach to neighbors that would be affected, and he is in favor of the idea to build out the new Wastewater Facility with the office space, there might be some tuning up of the design but having the office buildings there would give the space the District needs and could repurpose them as needed.

Director Parent left at 6:50 P.M.

Director of Utilities Kelly Dodds explained that the other idea is to use the frontage road for all traffic, but the cost.

Director Kalvans voiced that the community is growing so quickly, that the needs will change as quickly.

Director Sangster voiced that the District might need to look at having their meetings elsewhere in San Miguel. General Manager/Fire Chief Roberson reminded the Board that the large meeting room would be used for classes and we could charge for group business or group classes. Discussion ensued.

Director of Utilities Kelly Dodds asked if the Board was okay with the plans if there were no payments taken and if the meeting room was not as large.

Director Green voiced that he doesn't want a large meeting room and fewer bathrooms. Discussion ensued about ADA and bathrooms.

Director Sangster voiced that he doesn't have a problem with the way it is laid out, but his issue is if we do decide to move all the CSD syaff to that building, this current space will be repurposed as a Fire Station, which means that we need to find a place to have meetings. Director Green asked if he would be okay with the District not excepting cash payments.

Director Sangster expressed that he would be okay with that. Director Kalvans voiced that the direction of the State is to ban not taking cash.

Director of Utilities Kelly Dodds asked again for Direction.

Director Sangster voiced that the Board would like to see "Operational Needs and Use of Space" for this current building. Director Green asked with a payment station included. Discussion ensued about payments.

Director Kalvans wants to know if the Fire Department is moving towards a non-paid call station but have Firefighters on staff. General Manager/Fire Chief Roberson explained that the Department will be moving forward in an on-duty/shift Fire Department. Discussion ensued about Fire Department personnel.

Public Comment: Owen Davis, San Miguel Resident voiced that he would like to see the Board look at using the access road for customer access to the new facility, and he is okay with people not taking cash.

Laverne Buckman, San Miguel Resident voiced that she thinks that the public needs to have access to the District office. Mrs. Buckman asked if the Board plans at the next meeting to give direction or vote on what the staff should move forward with.

Director of Utilities Kelly Dodds voiced what he has heard not opposed to the office being down there if we can mitigate the customers' traffic at that location, and it is not a permanent location of the CSD office.

Director Green voiced that he did not think it couldn't be the permanent location but was not okay with the traffic. Discussion ensued about the traffic and outreach to the residence in that area. Director of Utilities Kelly Dodds voiced that to move forward in a productive manner will need to have direction, and everyone understands the timeline. Director Green voiced that they want to have information gathered for a discussion on the access road, public outreach to the residence in the area, plans for the Fire Department building. Director of Utilities Kelly Dodds explained that if they want to look at access for the N St location it will take months due to contacting the railroad. Discussion ensued about the ponds and traffic.

Link to Board Packet:

https://www.sanmiguelcsd.org/files/2afb6a06d/Merge+11-14-

2019+Functional+Space+Work+Session.pdf

XII. BOARD COMMENT: The Board's consensus is to schedule another meeting, all functional space, and needs within the District.

Director Kalvans talked about the fenced off, on 14th street. Asked about access at the property. Director of Utilities Kelly Dodds explained that the owner is aware that it is the District property and discussion ensued about why he has fenced it in, and if it was big enough for a well.

XIII. ADJOURNMENT TO NEXT MEETING: at 8:41 P.M.

SAN MIGUEL COMMUNITY SERVICES DISTRICT BOARD OF DIRECTORS NOVEMBER 21st, 2019 SPECIAL MEETING MINUTES

MEETING HELD AT DISTRICT OFFICES 1150 MISSION STREET SAN MIGUEL, CA 93451

- **I.** Meeting Called to Order by President Green -6:30 P.M.
- II. Pledge of Allegiance lead by Director Kalvans.
- III. Roll Call: Directors Present: Green, Palafox, Kalvans, Sangster, Parent District Staff in attendance: Rob Roberson, Tamara Parent, Kelly Dodds, Paola Freeman, Scott Young, District General Counsel Seikaly
- **IV.** Adoption of Regular Meeting Agenda:

Motion by Director Kalvans to move item 3 to item 1 and add Board Comment before Consent Calendar.

Seconded by Director Sangster Motion was approved by Vote of 5 AYES and 0 NOES and 0 ABSENT

V. ADJOURN TO CLOSED SESSION:

Closed Session convened at 6:35 p.m.

A. CLOSED SESSION AGENDA:

- CONFERENCE WITH LABOR NEGOTIATORS (Pursuant to Government Code Section 54954.5(f) and Government Code Section 54957.6)
 Unrepresented Bargaining Units: Non-Management Non-Confidential Unit and Non-Management Confidential Unit
- 2. CONFERENCE WITH DISTRICT GENERAL COUNSEL-ANTICIPATED LITIGATION Initiation of litigation pursuant to paragraph (4) of subdivision (d) of Section 54956.9:
- VI. Call to Order for Regular Board Meeting/Report out of Closed Session: 7:00 P.M. Report out of closed session by Director Green. Direction was given to staff.
- VII. Public Comment and Communications for matters not on the Agenda: Laverne Buckman, San Miguel resident voiced her frustration with the large agendas and

30

explained how it is too much to read, but it is so very important for the Board to read all the agenda packet.

VIII. Special Presentations/Public Hearings/Other: None

IX. STAFF & COMMITTEE REPORTS:

San Luis Obispo County Sheriff
 San Luis Obispo County Board of Supervisors
 San Luis Obispo County Planning and/or Public Works
 San Miguel Area Advisory Council
 Camp Roberts—Army National Guard
 No Report
 No Report

6. Interim General Manager: Interim General Manager/ Fire Chief Rob Roberson, explained that Alex from Moss Levy & Hartzheim will be here to present the findings and answers any questions the District Board of Directors may have on the FY 18-19 Audit. The District staff have been working on the District's Midyear Budget Adjustment and will be brought to the Board at the December Meeting. The Board Clerk is obtaining bids for translation services in 5 languages to comply with SB998 by April 2020. The estimated cost is around \$4000 dollars. This is a mandatory service for compliance. Our Board Clerk attended a CSDA Board Secretary Conference and has learned things to improve the operations of the District. Interim General Manager/ Fire Chief Rob Roberson, explained an MOU is being drafted for the Board and SMEA's review. Congratulations to our Utility Worker who has passed his Grade 1 Wastewater exam.

Board Comment: None **Public Comments:** None

7. District General Counsel: None

Board Comments: None **Public Comments:** None

8. District Engineer: Written report submitted as-is. Dr. Blaine Reely was not in attendance and Director of Utilities Kelly Dodds asked for any questions.

Board Comments: None **Public Comment:** None

9. Director of Utilities: Written report submitted as-is. Director of Utilities Kelly Dodds asked for any questions.

Board Comment: Director Kalvans asked for an update of Landscaping, and when it would be coming back to the Board. Director of Utilities Kelly Dodds explained hoping for December.

Director Green asked about rain totals. No measurable rain.

Public Comments: None

10. Fire Chief: Written report submitted as-is. Fire Chief Rob Roberson voiced that he would take any questions but informed the Board of Directors that the Fire Department will be bringing a purchase request for AED to the Board for approval in December.

Board Comments: None **Public Comment:** None

31

BOARD COMMENT: (added per agenda approval) Director Kalvans asked that an item be added to the next meeting about CSD facilities needs. Agendize discussion regarding California Energy Commission 2010 Study for the time of use for Utilities. Agendize item for discussion on land Value Tax. Agendize discussion on a digester energy system.

Board Comment: asked about Community needs, and clarification that it is community needs regarding CSD jurisdiction.

X. CONSENT ITEMS:

Director Sangster pulled item 1-A

1. Review and Approve Board Meeting Minutes

a) 10-24-2018 - Regular Board Meeting

Board Comment: Director Sangster asked for clarification of action item 3 and asked about RFP. Director of Utilities Kelly Dodds explained it was done sole source due to the extensive knowledge of the project and District by the District Engineer.

Spelling amendments: Page 25 item 3 amend well to while, and Page 28 item 9 from 6 Feet to 6 Inches.

Public Comment: None

Motion by Director Sangster to Approve Consent Item 1.A as amended

Seconded by Director Kalvans. Motion was approved by Vote of 5 AYES and 0 NOES and 0 ABSENT and 0 Abstained.

2. Review and approve RESOLUTION 2019-36 adopting job descriptions and pay rate for utility operator positions.

Board Comment: None **Public Comment:** None

Motion by Director Parent to Approve Consent Item 2

Seconded by Director Palafox. Motion was approved by Vote of 5 AYES and 0 NOES and 0 ABSENT.

XI. BOARD ACTION ITEMS:

1. Review and discuss previously adopted Resolution 2018-19 which adopted new property-related fees for water and wastewater services (passed on June 28, 2018, after Prop 218). Previously item 3. Item was presented by Director Green voicing that the majority of the Board Members at the time were under the impression that the step increases would come back to the Board. District Counsel Fuller informed the Board that the staff was following state law and following the five-year implementation but explained that the Board could move to direct staff to bring back before implementation.

Interim General Manager/ Fire Chief Rob Roberson explained that staff was following the Prop 218 and Rate Study and explained that it is an acumination of funds to get the District to where it needs to be financially. Director of Utilities Kelly Dodds explained that the rate increase is brought to the board in the May report and in June with the budget review. Discussion ensued about needing an annual report for the needs of the District.

Board Comment: Director Sangster agrees with having the increases brought to the Board before implementation and explained that it would be presented and would see where the Utilities are at that time financially.

Director Green voiced that he would be looking at the step increases for Sewer; Volumetric charges.

Director Green explained that the residence of San Miguel has been spoiled by the long-time low cost of water and sewer.

Director Green asked District General Counsel if there needed to be a vote or just direction to staff. District General Counsel Fuller voiced that it was just staff direction. Director Kalvans voiced that is why he had asked to look into changing to a new usage charges rate structure. District Counsel Fuller voiced that it would have to be a Prop 218, to change.

Public Comment: Owen Davis explained that he did not like that he got charged for sewer the same cost as a residence that has more people living in that residence. Discussion ensued about a Usage Rate.

The Consensus of the Board is to have Staff bring back all new fees for water and wastewater services increases for discussion to the Board of Directors before implementation.

2. Review, Discuss, Receive and File the Enumeration of Financial Report for October 2019. Previously item 1

- A. Claims Detail Report
- B. Statement of Revenue Budget vs Actuals
- C. Rev Budget vs Actual Summary
- D. Statement of Expenditures Budget vs Actual
- E. Cash Report

Item was presented by Interim General Manager/ Fire Chief Rob Roberson and Paola Freeman, San Miguel Bookkeeper asking for any questions.

Board Comment: Director Sangster asked about the Legal Fee and asked why they are up this month. Bookkeeper, Paola Freeman voiced that the District Interim General Manager was out of town and it was processed after he returned. September was \$12,553.00 and October was \$11,155.00 Director Sangster voiced that it still doesn't add up to the \$33,807.00.

Director Parent voiced that the labeling shows it as August and then it says Professional serviced through August 31, 2019, but all the dates in the breakdown read September 2019 on Page 2 of 15 on Claims Detail report. Bookkeeper Freeman expressed that she would fix that and was trying to catch up. Director Parent asked for clarification and asked if it was just a typo and should read through August and through September. Mrs. Freeman

explained that yea, that what it should read, and with Interim General Manager out of town things got behind. (Page 52). Director Sangster asked what was paid out and asked if he was correct that is was \$9,465.00 and \$20,122.00 paid to District General Counsel.

Public Comment: Laverne Buckman, San Miguel resident asked about (page 76) October cash report, and the labeling of Bank Water Projects -6598 in every category except Wastewater and asked if she was correct that it was for the inter-fund transfer. Interim General Manager/ Fire Chief Rob Roberson explained that the label is incorrect and should read Budget/Operational Reserve not Water Projects. Discussion ensued about Cantella investments and how he doesn't see where the money has come back from the buy out from Lighting. Interim General Manager/ Fire Chief Rob Roberson voiced for clarification that no inter-fund transfer was ever made. Director of Utilities Kelly Dodds explained that the 6598 she sees is in Fire is from the Fires Fund operating money for \$187,000.00 in operating cash for reserve. Water and Wastewater have no reserve and that is why you don't see it in those funds. Interim General Manager/ Fire Chief Rob Roberson explained that it is separated into funds.

Board Comment: Director Green asked where it shows the lighting fund bought out the rest of the funds. Interim General Manager/ Fire Chief Rob Roberson explained that he has been able to follow the transfer out, but the CPA has explained that it is all in the JV's but doesn't see where it has been moved back into operational cash in those funds. Bookkeeper, Paola Freeman explained that it is moved through JV's and it is a Debit/Credit issue.

Director Sangster voiced that it should still show in the financials. Discussion ensued about needing a clear transfer, and Interim General Manager/ Fire Chief Rob Roberson has questions also and will need to get clarification.

Director Parent asked why there was a three-way split with water/sewer/fire for new servers and asked for clarifications on why Fire has an equal split and the question was asked why Lighting and Solid Waste have no cost. Director of Utilities Kelly Dodds explained that Lighting and Solid Waste use no space on the server and that the split was based on the approved Resolution for the purchase of the server. Based on the planned use of the server, we will have mirrored servers. Discussion ensued about the server locations and use.

Director Kalvans thanked the Director of Utilities Kelly Dodds for the answer but wanted to know why the District Bookkeeper was not answering these questions and asked who is making these decisions. Director of Utilities Kelly Dodds explained that in this case it was brought to the board by resolution 2019-31 for cost split in an Action item.

Motion by Director Sangster to Approve Receive and File the Enumeration of Financial Report for October 2018 with the need for JV's and labeling corrections and dates corrected on the Churchwellwhite invoices before filing.

Seconded by Director Kalvans, Motion was approved by Vote of 5 AYES and 0 NOES and 0 ABSENT.

3. Review and approve Resolution 2019-39 approving the FY 2018-19 independent audit report by Moss Levy Hartzheim and authorizing the filing of the report to the State of California and County of San Luis Obispo County Clerk's office *Previously item 3*. Item presented by Interim General Manager/ Fire Chief Rob Roberson presenting Alex Hom from Moss, Levy, and Hartzheim to answer any question regarding FY2018-

19 District Audit. Mr. Hom voiced that he gave the District a "Modified Clean Opinion". No new accounting announcements. Mr. Hom voiced that the District staff and CPA have been very helpful and that finishing three District Audits in two years is quite an accomplishment. The District has come a long way and wanted to thank the District CPA and Bookkeeper.

Interim General Manager/ Fire Chief Rob Roberson voiced that there is no Management letter because there are no changes needed, Auditor Hom agreed.

Board Comments: Director Parent asked where the bottom line is in the Audit documentation. District Auditor Hom, voiced that if the Board wanted to see what each fund is doing at the fiscal year-end, then see Page 8 – Fire fund was given as an example. Mr. Hom explained that Governmental Accounting is very short-term view and this audit shows everything for that one year. Water and Sewer is an enterprise funds and based on fees and normal accrual accounting is used. Director Parent asked if that was the net position? Mr. Hom explained that the "Net Position" is assets over liabilities. Rev exp in the long term the best place to look to see how those funds are doing is the Cashflow; pages 12 and 13. Director Parent thanked Alex for being here, and for helping him understand.

Director Green asked if there is any way to tell if there is a way to see where the embezzled funds were taken from, and if there is anything that he sees for this Fiscal Year. District Auditor Hom explained that it was done through ACH payroll for FY 2015 and if the bank account where reconciled then, the Board would have known. Discussion ensued about previous Interim General Manager Gentry. Discussion ensued with the Interim General Manager/ Fire Chief Rob Roberson explaining that the Bank Accounts are being reconciled monthly and the Board of Directors see the reports every month. Director Green voiced that it is very difficult to be a Board member and to do our job with only getting the information that is given and the system is set up to fail. Bookkeeper Paola Freeman explained that is why you need an outside source to check the monthly financials. Discussion ensued.

Staff Comment: District Bookkeeper Paola Freeman asked Mr. Hom to explain where to find what the amount of water fund is in deficit. Mr. Hom explained page 10, cash & investments \$52,534.00 dollars, and look at Restricted for Capital expansion \$578,972.00 dollars; water is essentially borrowing from the Restricted for Capital expansion monies. Discussion ensued.

Public Comments: Laverne Buckman San Miguel Resident asked about pension, and if there is a place that shows what is needed, to coverage of those pensions. Mrs. Buckman explained the Audit just translates that fund, and there is a lot of money that needs to be put in that fund and asked if she was correct. District Auditor Hom explained that the numbers reflect if everyone working here is going to retire from here at 65 and live to 80. The county standards are to show that there are monies that need to be put away and can't be exact. District Auditor Hom explained that CALPERS is 70% funded and in the scheme of things that is pretty good. This is based on the current employees and there is no way to know if these employees will be staying till retirement and this is a projection.

Motion by Director Kalvans approve Resolution 2019-39 approving the FY 2018-19 independent audit report by Moss Levy Hartzheim and authorizing the filing of the report to the State of California and County of San Luis Obispo County Clerk's office

Seconded by Director Sangster, Motion approved by Vote of 5AYES and 0 NOES and 0 ABSENT.

4. Review and discuss District Purchasing Policies, Procedures and Regulations
Governing Contract and Professional Service Bidding procedures, Purchases of
Material, Supplies and Equipment Manual. Item presented by Interim General
Manager/ Fire Chief Rob Roberson explaining that this was brought for discussion per
request for the Board of Directors. One in question is the CPA and the lack of a contract,
she is currently working under an hourly rate for the specific task of Audits. The Audits
are now done and voiced that he has had a discussion with District CPA and explained
that the new scope of work will need to go out as an RFP before more work would be
done. Interim General Manager/ Fire Chief Rob Roberson explained to the Board that
having an outside source come in and check on the District financials every quarter is
what is needed for the best practice of the District, and they should not be seeing her at
the District office more than that.

Board Comment: Director Green voiced that when we send out an RFP, she will probably be the only one to respond anyways. Interim General Manager/ Fire Chief Rob Roberson explained that know that all the audits are done we should get a better response. Director Parent asked if there was a purchase order for the CPA services as stated in the Purchasing Policy? General Manager/ Fire Chief Rob Roberson explained that he would have to check and remembers having a document with her hourly rate only. Interim General Manager/ Fire Chief Rob Roberson explained that he will be making a purchase justification form, for anything under five-thousand dollars.

Director Kalvans has a problem with the five-thousand dollars, voicing it is a split order issue and wants to make sure that doesn't happen. Discussion ensued.

Director Palafox read aloud Section 4.0 second paragraph of the Purchasing Policy, that it explains as an example that the under five-thousand-dollar limit doesn't apply if "total estimated purchase is expected to exceed \$5,000 dollars" Discussion ensued. Interim General Manager/ Fire Chief Rob Roberson explained that he understands that they are talking about the ToughBooks; and explained the situation.

Director Green asked that Section one could be read aloud. Interim General Manager/Fire Chief Rob Roberson read aloud. Discussion ensued about "by" and the Interim General Manager has the only authority to purchase, and department heads get authorization from the General Manager.

Director Green asked if all purchases are brought to the General Manager. Discussion ensued about how the Interim General Manager/ Fire Chief Rob Roberson reviews and approves purchases. A discussion about computer language was discussed. Director Green voiced what the Purchasing Policy reads about credit cards.

Director Sangster voiced that he understands that if a purchase is made with the District Credit Card and it is inappropriate, they will have to be billed for those items. Director Kalvans voiced that the District has had issues in the past with Credit Cards. The Claims detail goes to the board and the US bank claims monthly and if ever the Board of Directors feels that a purchase was made inappropriately then it is when the Board should speak up. The District staff scrutinized each bill for coding (funds/objects) Director Sangster addressed that the District Purchasing Policy is to promote fiscal responsibility in which the Board of Directors are responsible for the community's money; we are talking about transparency and accountability and we do get to review all purchases and doesn't see an issue with the Credit Cards. Director Sangster voiced that he does see a problem with seeing a clearly defined quotation and bid structures for Section 4 Purchase orders with totals over five-thousand dollars for non-professional services(acquisitions of supplies, equipment, and services). However, when we get to professional services there is no requirement for quotations or bids and states clearly that anything over twenty-five thousand dollars must come to the board but anything under that the Interim General Manager can sign off on. Director Sangster explained that technically we are within the policy but is it responsible, no it is not. Discussion ensued about District CPA and District Engineer.

Director Parent voiced that now that we know we are out of compliance, we need to have a purchase order at least.

Director Sangster voiced that Purchasing Policy reads that Purchase Orders greater than twenty-five-thousand will be awarded to the lowest bidder and feels that it should not be the lowest bidder but best value for the District. Discussion ensued. Director Sangster thinks that professional services should mirror the goods and non-professional services. District General Counsel Seikaly informed the Board that staff will be bringing an RFP process to the Board for approval in December or January.

Director Green voiced that he likes the best value wording.

Discussion ensued.

District General Counsel Seikaly asked if staff would like their office to revise sections. Director Sangster voiced that sections 5 and 6 need to be changed to have the same requirements.

Director Green voiced that interim General Manager/ Fire Chief Rob Roberson will make the changes and work with Director Sangster, then bring back to the Board for approval. Director of Utilities Kelly Dodds explained that the Purchasing Policy is going to the District Counsel to add federal wording requirements for CBDG Grant Audit and asked if the Board would be okay with all the changes coming back at once.

Director Sangster voiced that he would like the Credit Cards inventoried as per Purchasing Policy states annually. Discussion ensued about Credit cards including gas cards.

Public Comment: Laverne Buckman San Miguel resident voiced that previously, the District had used credit card and has seen fraud. The Claims Detail shows the purchase made on the US Bank Cal-Cards and feels that the District is doing much better.

Consensus of the Board is to make changes with the Federal wording and sections discussed and be brought back to the Board for approval.

5. Review and discuss the San Miguel Community Services District Board Members' Handbook. Item presented by General Manager/ Fire Chief Rob Roberson explaining that this item was brought forward due to the Board of Directors wanting to make changes to the process of the Agenda items.

Board Comment: Director Green voiced that he would like to have IX 1,2,3 changed to San Luis County and add Communities Services Organization. Director Green asked to have Employee Evaluations on closed sessions always. District General Counsel Seikaly explained that you have to have the position of the Employee Evaluation on the closed session agenda. Director Green voiced that he would like to have the Interim General Manager on the closed session for evaluation monthly.

Director Kalvans asked that there be a Board Comment at the beginning and end of agendas and would like to start having two Board Meetings a month. Discussion ensued. District General Counsel Seikaly voiced that she has never seen two board comment sections and would ask them to leave it as is, at end of the board meeting. Discussion ensued.

Public Comment: None

Consensus of the Board is to have IX 1,2,3 changed to San Luis County and add Communities Services Organization, and to add Employee evaluation – General Manager monthly on closed session.

6. Discuss immediate repairs needed at the Machado Wastewater Treatment Facility and potential costs and timeline. Item presented Director of Utilities Kelly Dodds explained that they found a damaged liner with holes when they pulled the pump and cleaned out the pond. The pump is estimated at \$7,500 dollars and a liner repair of \$8,500 dollars.

Board Comment: Director Green asked about abandoning the pond. Director of Utilities Kelly Dodds explained that the Pond can not be abandoned due to need. He will try and find other prices and will bring back for approval. Discussion about the second Functional Space work session.

Public Comment: Owen Davis San Miguel Residence voiced that he would like to have the District use the easement and don't go through a residential area.

7. Discuss status of Machado Wastewater Treatment Facility expansion and aeration upgrade project Item presented Director of Utilities Kelly Dodds, updating the board that the Wastewater Treatment Facility is in October is at average 73% of hydraulic design capacity and max day 86% of hydraulic design capacity. Mr. Dodds explained that the SRF grant \$250,000 should be coming in and is retroactive to 2017 for construction design. Board Comment: Director Sangster asked District General Counsel Seikaly if he would need to recuse himself from the process of awarding the purchase of a system, because of his Cal Poly position and informed us that his team has just awarded Cloacina an RFP for a package plant. District General Counsel Seikaly inform Director Sangster that it was a workgroup that awarded the contract to Cloacina and he would not have to recuse himself but would make sure to asked and send out documentation for record.

Director Kalvans voiced that he wanted to thank the staff for the hard work that they are doing.

Staff Comment: Assistant Fire Chief Scott Young asked how and if the hydraulic capacity is changed do to the pond being down. Director of Utilities Kelly Dodds explained that the State is only allowing it to be down while being repaired due to the change in the treatment of the total effluent quality.

Public Comment: None

XII. BOARD COMMENT: The consensus of the Board is to have a second Functional Space Work Session to be held on December 12th at 6 P.M.

Director Green updated the public that he heard back from Supervisor Peschong and that he got back to him about a question that was asked by the public "what is the number of people that can live in a single family residence", and in the absents of Health and Safety Code; California Supreme Court says that District can not limit occupancy, and single-family can be up to 16 people.

Director Green asked how long Mr. Roberson the Interim General Manager; has been Interim and feels that there should be a discussion about what his future plans will be. Discussion ensued. District General Counsel voiced that it would be more appropriate to discuss this topic in closed session.

Director Green voiced that he will not be Board President next year, and asked for no nominations.

XIII. ADJOURNMENT TO NEXT MEETING DECEMBER 12 & 19 2019: 9:52 P.M.

San Miguel Community Services District

December 19, 2019 AGENDA ITEM: XI -1

SUBJECT: Bookkeeper Report for November 2019

RECOMMENDATION: Review and File the Enumeration for Financial Reports for October 2019

November 2019 Payroll Expense: Total CSD Payroll \$47,117.73 (including all liabilities)

November 2019 Income: \$211,714.91

November 2019 Expenses: \$85,156.12

- 1. Churchwell \$23,709.38 Oct & Nov (2 Billing Periods)
- 2. PGE \$7,526.17
- 3. Coblents Biehle & Cramer \$2,760.00
- 4. JB Dewer \$1,236.66
- 5. Baldwin Electric Service \$893.72
- 6. Charter Communication \$309.94
- 7. Colony Media \$274.18
- 8. RS Communication \$268.13

There are a couple exceptions to this: 1) Canceled Electronic Checks and 2) Payroll Journal Vouchers that include local deductions set up with receipt accounting. Please see cash reconciliation procedure in manual or call for more details.

San Miguel Community Services District

Board of Directors Staff Report

December 19th, 2018

AGENDA<u>ITEM: XI-2</u>

SUBJECT: Review and Approve Resolution No. 2019-43 Adopting the Operations and

Maintenance Mid-Year Budget Adjustments.

BACKGROUND:

The District operates on a fiscal year basis which is July – June. The annual operations and maintenance (O & M) budget of any agency is a spending plan for the fiscal year to provide services. The current budget has been reviewed by all supervising staff and the District Bookkeeper. From those reviews recommendations for mid-year adjustment are being submitted for Board review and approval.

The budget adjustments were reviewed based on 41% of the year being complete at the time of the review Nov 30th, 2019. All objects that exceed 41% were reviewed for a potential adjustment. Objects that are 100% and are a onetime expense are considered complete therefore no adjustment are recommended. Other objects that exceeded 41% have recommendations based on the objects activity and may or may not need an adjustment.

In review the original approved budget is indicated in the first column. The actual year to date is indicated in the second column and the proposed adjustment is indicated in the third column. The 'amount of change' column amounts indicated in black are (ADDITIONS) and Objects in red are (REDUCTIONS) from the approved budget amount.

Fiscal Impact:

To the benefit the district, completing a mid-year adjustment and passing with board approval will help the district in preparing for FY 20-21 and completing FY 19-20 fiscal year with more confidence.

There are no significant fiscal impacts, positive or negative, associated with approving these budget adjustments.

Staff Recommendation:

It is recommended that the Board discuss and adopt the FY2019-20 Operations and Maintenance Mid-Year Budget adjustments

PREPARED BY:

Rob Roberson

Rob Roberson, Interim General Manager

Paola Freedmen, District Bookkeeper

Kelly Dodds, Director of Utilities

Tamara Parent, Board Clerk and Accounts manager

Scott Young, Asst. Fire Chief / Fire Prevention

RESOLUTION NO. 2019-43

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN MIGUEL COMMUNITY SERVICES DISTRICT APPROVING AND AUTHORIZING MID-YEAR BUDGET ADJUSTMENTS TO FISCAL YEAR 2019-20 OPERATIONS AND CAPITAL PROJECTS BUDGETS

WHEREAS, the San Miguel Community Services District ("District") has established an annual fiscal year operational budget for FY 2019-20; and

WHEREAS, the Board of Directors ("Board") has determined to meet the fiscal responsibility to the District, there is a need to review and adjust the adopted FY 2019-20 Operations budget to maintain proper fiscal budget consistent with District's financial policies and procedures; and

WHEREAS, the Board has considered recommendations for adjustments to the FY 2019-20 Operations budget as shown in a written report to the Board dated December 19th, 2019

NOW THEREFORE, BE IT RESOLVED, by the Board of Directors of the San Miguel Community Services District hereby determines the need to authorize a mid-year budget adjustment for FY 2019-20.

· · · · · · · · · · · · · · · · · · ·	of Directors on a motion to approve Mid-Year
budget adjustments by Director, seco	nded by Director by the following
roll call vote:	
AYES:	
NOES:	
ABSENT:	
ABSTAINING:	
the foregoing Resolution is hereby passed and adopt	ed this 19 th day of December 2019.
John Green, President Board of Directors	
ATTEST:	APPROVED AS TO FORM:
Rob Roberson, General Manager	Douglas L. White, District General Counsel

San Miguel Community Services District Board of Directors Staff Report

December 19, 2019 <u>AGENDA ITEM: XI-3</u>

SUBJECT: Approve RESOLUTION 2019-41 the purchase of 6- new Zoll Plus AED's with additional pads.

RECOMMENDATION: Approve Resolution 2019-41 the purchase of 6- new Zoll Plus AED's with additional pads.

The San Miguel Fire Department currently owns 3- Philips Heartstart Automated External Defibrillators (AED's) that have been in use for the last 10 years. The Philips Heart start AED's have served the Department well. However, they are currently beyond their service lifespan, rendering them unserviceable by the manufacture. This is due to evolution of the product line, and the lack of availability of replacement products specifically for the models we possess.

Additionally, it is the Departments determination that there should be AED's in both command vehicles (8600 & 8601) and one AED in the front office for rapid public access.

Therefor it is the Departments recommendation that the 3- unserviceable units be replaced and 3-additional units be added to the Departments inventory.

The Zoll Plus AED's use technology, and pads that are interchangeable with AED's used by San Luis Ambiance, San Luis Obispo County Sheriff's Department, California Highway Patrol, and neighboring Fire Departments. These are features save time in the field, allow the potential for pad replacement, are compliant with the State EMSA requirements, and raises the bar for successful CPR.

The Zoll Plus Training 2 AED in conjunction with an interactive rescue manikin meets the current EMSA, and American Heart Association certification requirements. The Department currently possesses a Zole Plus Training 2 AED and interactive rescue manakin.

The San Miguel Fire Department has received donations to assist with offsetting the cost of the proposed Zoll Plus AED's. The San Luis Obispo Garbagemen's Association has donated \$4,000.00 as part of their community outreach program, for the purpose of purchasing new AED's. Additionally, the Department has received \$325.00 in donations in the honor of Mr. Bob Carl Pessolano. Additional donations may be forwarded as well.

Attached you will find cost estimates for 6- Zoll Plus AED's including, 1 surface mounted standard cabinet, 6-one-piece replacement electrode pads, and 6-pediatric electrode pads.

Pricing breakdown as follows: (FUND 20-245)

1- Foremost	\$	8,809.00
2- AED Sup	erstore \$	511,778.00
3- Heartsma	ırt \$	512,229.00
4- AED Pro	fessionals \$	512,976.00
Lowest pricing from	Foremost \$	8,809.00
Less donations	<u>\$</u>	5(4,325.00)
Current Financial Im	pact <u>\$</u>	<u>5 4,484.00</u>

The actual cost could be reduced if future donations are received in the honor of Mr. Bob Pessolano.

The lowest estimate provided by Foremost also includes a \$150.00 credit for the trade in value of 3 the Phillips Heartstart AED's. No other vender is willing to accept the current units as trad ins.

FISCAL IMPACT:

The fiscal impact \$4,484.00.

PREPARED BY: Scott Young APPROVED BY: Rob Roberson

San Miguel Community Services District

Board of Directors Staff Report

December 19th, 2019

AGENDA ITEM: XI-7

SUBJECT: Continued Discussion on the status of the Machado Wastewater Treatment Facility expansion and the aerator upgrade project.

RECOMMENDATION: Discuss status of the Machado Wastewater Treatment Facility expansion and the aerator upgrade project.

CURRENT STATUS:

WWTF

The existing plant upgrade was completed in 2001, at that time it was upgraded to a maximum capacity of 200,000 gallons per day.

COMPLIANCE – Based on the 1st quarter 2019 testing the plant is in compliance for single sample but is out of compliance for the 6-sample average in regard to TDS, Sodium and Chloride

FLOW – In *November* the plant averaged <u>162,858 gallons per day</u> (81% of hydraulic design capacity) with a max day of 200,982 gallons (100% of hydraulic design capacity)

On 6/18/18 the District received a letter from SWRCB outlining the status of the plant and setting a timeline of approximately 2.9 years before the plant reaches capacity. This is the window to complete the expansion to prevent potential overflows and potential violations.

Monsoon Consultants is currently working on design requirements and options to meet current/future and proposed regulatory requirements.

- August 2018 WWTP Expansion engineering report.
- November 2018 DE presented options to the Board and discussed the engineering study and alternatives
- December 2018 DOU and Engineer from Monsoon Consultants toured SBR and MBR plants and talked to operators about process benefits and issues
- January 2019 the DE delivered the Final engineering report to the Board at the regular Board Meeting and the Board subsequently approved the report.

- January 2019 the District submitted the Final Engineering Report to the CCWQCB for their review and comment.
- February 2019 DE and Director of Utilities met with CCWQCB staff to discuss the engineering report and future project phases, requirements, funding, permitting and schedules.
- February 2019 the District submitted the Final Engineering Report to PG&E for their review in advance of a meeting to discuss future WWTF electrical service requirements and the potential for technical / financial assistance for the WWTF expansion / renovation.
 - The District also applied for a service change to PG&E to begin the process of determining the extent of improvements needed to service the new power requirements.
- February 2019 the District applied to SoCal Gas for service and is in the process of determining costs to bring gas to the plant.
- August 2019 DE and DOU toured manufacturing plant and installations MBR package plants
- October 2019 the Board approved a contract with Monsoon Consultants to prepare the construction plans for the WWTF expansion
- November 2019 District received an agreement for a \$250,000 planning grant for the WWTF expansion.

AERATOR PROJECT

5/17/18 WSC has issued the Final Technical Memorandum outlining some of the options for the replacement of the existing surface aerators with bubbler aeration in the ponds. Part of the recommendation is to install a headworks to prevent fouling the diffusers.

The Energy Watch and PG&E are working on preliminary paperwork for On Bill Financing for this project once it is ready.

The aeration project is being modified as part of the overall expansion of the WWTF. It is possible that the original project will be scrapped in favor of other assistance available from PG&E.

FUNDS EXPENDED

Total Costs incurred to date

- Property acquisition \$240,140 (Paid with Capital Funds not covered under any grant FY2016-17)
- Engineering \$170,740 (Reimbursable through the IRWM Grant) (\$112,000 received to date)

Awarded

- Integrated Regional Water Management (IRWM) Prop 1 DAC -- \$177,750 for Wastewater plant upgrade analysis, basin recharge study.
- The agreement for this grant was received in February 2019 and has been processed and returned, invoices have been submitted to IRWM and the District should receive reimbursement for the initial requests after July.
- State Revolving Fund (SRF) -- \$250,000 for construction design and engineering The District received the agreement for this grant November 2019. The grant is retroactive to 2017.

Applied for/ to

- Started discussion with SLO County on potential for CDBG funds to help pay for construction. Application is in process.
- Preparing to apply to DWR and USDA

NEXT STEPS:

WWTF

Now that the FINAL engineering report is completed and has been approved by the Board, the DE has begun working on a proposed a schedule/ timeline which will be presented to the Board for the preparation of construction documentation, environmental / regulatory compliance measures, and permitting. At that time, the DE will provide cost estimates associated with that schedule.

One of the first things that will be needed will be a headworks and larger lift station. Once a capacity is determined that will be brought to the board for approval.

Based on discussions with the DE, we anticipate that in February 2019, the DE will initiate the preparation of the work plan for the CEQA "Initial Study" and begin the final design phase for the recommended WWTP upgrade and expansion design alternative. We have scheduled approximately 9 months to complete the final design and the preparation of the Construction / Bidding Documents. Pending receipt of notification of a grant award for the SRF funds, we plan to prepare and issue an RFP for Environmental Studies as required for CEQA/ NEPA Compliance for the recommended WWTP upgrade and expansion design alternative. The timing of the environmental compliance & permitting work will coincide with the completion of the final design phase. Under our currently planned schedule, the District should plan on initiating the process of obtaining financing for the WWTP upgrade and expansion project during the second quarter of 2019, with the goal of having financing in place to advertise and award a construction project in the 4th Quarter 2019.

Depending on the revised release date of funds for construction documentation from the DFA it is likely that, in order to meet our deadline, the District may need to pay out of pocket for some of the construction design work.

AERATOR PROJECT

will be maintained with the plant expansion then staff will bring additional items to the board t facilitate the approval and construction of the aeration upgrade.				
COUNT DOWN CLOCK				
Notice issued – June 2018 Deadli	ine given – March 2021 (2.9 years)			
Time remaining—1 year 02 month	us (14 months)			

Once design criteria are determined for the WWTF and it is determined that the aeration upgrade

FISCAL IMPACT

No impact resulting from this information.

RECOMMENDATION

This item is for information and discussion only.

Due to the limited time frame this item will be updated monthly and the Board will likely have additional items for approval in conjunction with this report.
