

San Miguel Community Services District

BOARD OF DIRECTORS

John Green, President Anthony Kalvans, Director Ashley Sangster, Vice-President Hector Palafox, Director Joseph Parent, Director

THURSDAY, SEPTEMBER 26th, 2019 6:30 P.M. Closed Session 7:00 P.M. Opened Session BOARD OF DIRECTORS REGULAR MEETING AGENDA

SMCSD Boardroom 1150 Mission St. San Miguel, CA 93451

Cell Phones: As a courtesy to others, please silence your cell phone or pager during the meeting and engage in conversations outside the Boardroom.

Americans with Disabilities Act: If you need special assistance to participate in this meeting, please contact the CSD Clerk at (805) 467-3388. Notification 48 hours in advance will enable the CSD to make reasonable arrangements to ensure accessibility to this meeting. Assisted listening devices are available for the hearing impaired.

Public Comment: Please complete a "Request to Speak" form located at the podium in the boardroom in order to address the Board of Directors on any agenda item. Comments are limited to three minutes, unless you have registered your organization with CSD Clerk prior to the meeting. If you wish to speak on an item not on the agenda, you may do so under "Oral Communications." Any member of the public may address the Board of Directors on items on the Consent Calendar. Please complete a "Request to Speak" form as noted above and mark which item number you wish to address.

Meeting Schedule: Regular Board of Director meetings are generally held in the SMCSD Boardroom on the fourth Thursday of each month at 7:00 P.M. Agendas are also posted at: www.sanmiguelcsd.org

Agendas: Agenda packets are available for public inspection 72 hours prior to the scheduled meeting at the Counter/ San Miguel CSD office located at 1150 Mission St., San Miguel, during normal business hours. Any agenda-related writings or documents provided to a majority of the Board of Directors after distribution of the agenda packet are available for public inspection at the same time at the counter/ San Miguel CSD office at 1150 Mission St., San Miguel, during normal business hours.

Re: DISTRICT ENGINEER REPORT - SEPTEMBER 2019

Gentlemen:

The following is a summary of the activities performed and the status of relevant issues which pertain to the duties and responsibilities of this position:

OVERVIEW

The District produced approximately 10.0 MGAL (13,384 CCF) of water during the month of August 2019. This represents a decrease of approximately 7% from the prior month. No major failures or unexpected major expenditures were encountered within the water, wastewater or street lighting systems during the month.

MEETING PARTICIPATION

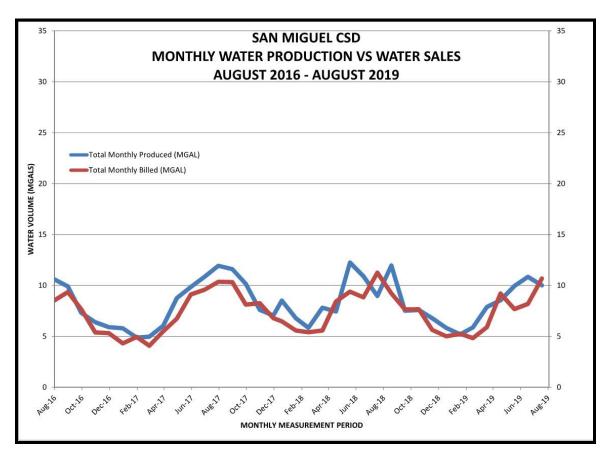

A brief summary of relevant issues that were discussed during meetings attended by the DE during the previous month are summarized below. (Note that routine meetings with SMCSD staff are not included):

- September 4, 2019: The DE and Director of Utilities attended a meeting with representatives of the E & J Gallo Winery Corporation in which the expansion of the District's WWTP was discussed.
- 2. September 10, 2019: The DE attended a meeting between SLO County Air Pollution Control staff to discuss permitting requirements for the new WWTP.
- September 13, 2019: The DE participated in a meeting between all Paso Robles Groundwater Basin GSP Cooperative Committee staff in which the participants discussed the GSP Annual Report RFP consultant selection process and GSP implementation issues.

CIVIL ENGINEERING / HYDROLOGY

WATER PRODUCTION HISTORY

The following graph depicts the water production and sales for the proceeding 36months.

CAPITAL IMPROVEMENT PROGRAM

The following is a summary of the principal activities that were related to the Capital Improvements Program during the previous month:

- 1. WWTP Aeration System Upgrade: This project is on hold pending completion of the WWTP expansion / upgrade engineering final design at which time a decision will be made regarding further pursuit of this project. Recent conversations with the County and PG&E indicate that the program may be modified to allow for the funding to be used to partially fund the proposed WWTP expansion / upgrade project.
- 2. Wastewater Treatment Plant Renovation / Upgrade & Recharge Basin Engineering Study: The District is the recipient of \$177,750 Prop 1 IRWM DAC Involvement Grant Funds which have been used to fund a Wastewater Treatment Plant Upgrade and Recharge Basin Study. The DE has initiated work on this project. The following milestones have been completed to date:
- Complete Data Collection / Document Review
- Identify and Assess WWTP upgrade / expansion alternatives
- Prepare Final of WWTP Upgrade / Expansion Engineering Report
- Prepare Final Draft of Preliminary Groundwater Recharge Engineering Report

The Board authorized the DE to proceed with the engineering studies at the September 2018 regular meeting. All work to be performed in conjunction with the subject engineering study will be reimbursable from the \$177,750 Prop 1 IRWM DAC Involvement Grant Funds. Because of the DAC status, no matching funds are required. The DE made a presentation to the Board to summarize the results of the study to date and solicit input from the Board at the November 2108 Board meeting. The Board approved the Final WWTP Engineering Study at their regular January 2019 Board meeting.

The DE delivered the initial DRAFT of the Preliminary Groundwater Recharge Study Report and the CEQA "Initial Study" Report at the May 2019 Regular Board Meeting. The Preliminary Groundwater Recharge Study Report has been completed. The DRAFT CEQA "Initial Study" Report has been completed and can be finalized after a biological assessment and archeological assessment are completed. The District is currently awaiting award of grant funds from the DWR to complete these studies.

The District received the Sub-Recipient Agreement from the County of San Luis Obispo in February 2019 and the agreement was approved by the Board at the February meeting. Now that the agreement has been approved, the District will receive reimbursement for expenditures made to date which are associated with the WWTP Renovation / Upgrade & Recharge Basin Engineering Study. Based on the most recent information from the County, it appears that the reimbursement payments will be made in the Fall 2019.

Regarding additional funding, we have submitted a grant application to the DWR for funding in the amount of \$250,000 for Planning & Design for the Wastewater Treatment Plant renovation. We have been assigned a project manager at the DWR and the DWR has reviewed our submittal and found it to be complete. We are currently in the process of investigating other grant funding opportunities for the permitting and construction phases of the plant expansion.

DEVELOPMENT

The following is a summary of private development projects that are either in-progress or planned that staff is currently reviewing or inspecting during construction:

- a) People's Self Help (Tract 2527, formerly Mission Garden Estates): The developer has completed the installation of all infra-structure and home construction has either been completed or is underway on 40 homes. In addition, construction of 20 new homes has either been completed or been started in the portion of the development that was acquired by Nino Development. All lots in this Tract have finished homes or homes that are under construction, There are no additional vacant.
- b) Tract 2779 (Nino 34 lots) All underground utilities have been installed and paving operations have been completed. New home construction is anticipated to begin by Nino Development immediately after the ongoing work in Tract 2527 has been completed.
- c) <u>Tract 2647 Hastings The Bluffs</u> The developer has started construction on the initial three (3) residences.

GROUNDWATER SUSTAINABILITY AGENCY

The Montgomery & Associates GSP Consultant Team has completed the FINAL DRAFT of the complete Paso Robles Groundwater Basin GSP. The document has been posted on the County of San Luis Obispo GSP website:

(https://www.slocounty.ca.gov/Departments/Public-Works/Committees-Programs/Sustainable-Groundwater-Management-Act-(SGMA)/Paso-Robles-Groundwater-Basin/GSP-Development.aspx)

In addition, the document has been posted on the Paso Robles Communication Portal (https://www.pasogcp.com) The public comment period on the Draft GSP is open until September 29, 2019. Comments from the public are being collected using a comment form. The form can be found online at (https://www.pasogcp.com).

I would like to take this opportunity to thank each of you and District staff that will review the information contained in this report. If there are any questions or you wish to discuss, please do not hesitate to contact me.

Respectfully Submitted, MONSOON CONSULTANTS

_Blaine T. Reely

UTILITY STATUS REPORT

8-17-19 Thru 9-20-19

AGENDA ITEM# IX.9

Well Status:

- Well 4 is fully operational Well Level 103.8 8-30-19
- Well 3 is <u>OUT OF SERVICE</u> Well Level 87.78 8-30-19
- SLT well is in service Well Level 149.8' 5-3-19

Water System status:

Water leaks this month:1 This year: 15

Water related calls through the alarm company after hours this month: 0 this Year: 6

- Leak on service at 775 River Road
- Well 3 motor failure OUT OF SERVICE 9-6-19

Sewer System status:

Sewer overflows this month: 0 this year: 0

Sewer related calls through the alarm company this month: 0 this Year: 0

WWTF status:

• Staff is working on cleaning up the plant in preparation for the expansion.

State Water Resources Control Board (SWRCB):

• Nothing new to report

Lighting status:

- Working with PGE Rep to get remainder of the PGE owned street lights converted to LED.
- Also working on potential of PGE changing out Decorative Street lights on Mission with LED at a reduced cost to the District.

Solid Waste:

- Staff is continuing to work on options to provide additional recycling options to the community.
- E-Waste is now available to be dropped off at the WWTF. All drop offs are by appointment and or through San Miguel Garbage pickup.
- Mattress recycling council has provided informational brochures in English and Spanish which are available in our office and at San Miguel Garbage. A flyer was also sent out in the utility billing for August. English was sent last month, and Spanish was sent this month.
- Working with IWMA on specifics for the HHW site and IWMA funding for the site.
- Gathering information on a \$10,000 Micro Grant from the Mattress Council to improve mattress collection efforts by the District.
- Staff is currently working on revising the District Solid Waste Ordinance.

Project status:

- Working with PGE and Energy Watch to look at potential options to upgrade well pumps and controls to be more energy efficient.
- Working with Wilson Creek Communications to install Wireless internet at SM Reservoir radio tower.
- Working with San Miguel Chamber to get repairs made to the irrigation along Mission street.
- Tree at Well 4 was removed on Sept 2nd, and fencing repaired between our well yard and the neighbor's yard.
- Landscaping information will be brought back in October for additional review

Board requested information:

- Currently working on updating the inventory of tools and materials at the WWTF and Wells. Once complete we will be auditing the existing inventory and updating our photographic records of all inventoried items.
- Currently updating SOPs for Water and Wastewater field operations

Community Development Block Grant (CDBG)

- Working with the County on preliminary paperwork for CDBG funding to replace water lines on 10th and 11th streets (initial meeting 7/18/19)
- Met with the County regarding the FY 19-20 grant cycle to apply for funding for the WWTF expansion.

WWTP expansion and Aerator Upgrade

• See additional agenda item(s) for ongoing information

"N" St Property Acquisition:

• The County is currently going through the process to sell the N street properties through their real property surplus process. I spoke with the County and Supervisor Peschong's office and they are going to see what can be done to assist the District in purchasing the property. There isn't currently a price associated with the property, but the District will be able to acquire the property before a private party has the option. As information is available it will be passed on to the Board. (3/2019)

SLO County in San Miguel:

- County provided their 5 year overlay and sealing plan. The District will be working on making known repairs in the effected areas ahead of the scheduled overlays and sealing.
- The County has a contract to repair and replace sections of the sidewalk between 11th and 14th on Mission Street

Caltrans in San Miguel:

• Caltrans is underway on improvements to the HWY 101 corridor, for what will be a 2-year project. There are numerous on/off ramp closures (7-2019)

Rain in San Miguel:

2018	9"

SAN MIGUEL COMMUNITY SERVICES DISTRICT BOARD OF DIRECTORS AUGUST 22, 2019 REGULAR MEETING MINUTES

MEETING HELD AT DISTRICT OFFICES 1150 MISSION STREET SAN MIGUEL, CA 93451

- **I.** Meeting Called to Order by Vice President Green 6:30 P.M.
- **II.** Pledge of Allegiance lead by Director Kalvans.
- **III. Roll Call:** Directors Present: Green, Sangster, Palafox, and Kalvans

Directors Absent: Parent

District Staff in attendance: Rob Roberson, Tamara Parent, Kelly Dodds, Paola Freeman,

Scott Young, and District General Counsel Seikaly District Staff Absent: District Engineer Blaine Reely

IV. Adoption of Regular Meeting Agenda:

Motion by Director Sangster to adopt Regular Meeting Agenda Seconded by Director Kalvans Motion was approved by Vote of 4 AYES and 0 NOES and 1 ABSENT

V. ADJOURN TO CLOSED SESSION:

Closed Session convened at 6:32 p.m.

A. CLOSED SESSION AGENDA:

 CONFERENCE WITH LABOR NEGOTIATORS (Pursuant to Government Code Section 54954.5(f) and Government Code Section 54957.6)
 Unrepresented Bargaining Units: Non-Management Non-Confidential Unit and Non-Management Confidential Unit

2. CONFERENCE WITH DISTRICT GENERAL COUNSEL-ANTICIPATED LITIGATION

Initiation of litigation pursuant to paragraph (4) of subdivision (d) of Section 54956.9:(1 case)WO

VI. Call to Order for Regular Board Meeting/Report out of Closed Session: 7:02 P.M. Report out of closed session by District General Counsel Seikaly, informed the public

that action was, entering into a tolling agreement by Board consensus. The Board will go back into closed session after Board Comment.

VII. Public Comment and Communications for matters not on the Agenda: Tracy

Johnson, San Miguel resident informed the Board of Directors that she and her partner had lost a significant amount of fish when they last cleaned their fish tank. She explained that they had done the same process as every other time they cleaned their 40 gal. and 60 gal. tanks, explaining that she smelled a lot of chlorine in the public water. Mrs. Johnson asked the Board for compensation for the loss of their fish.

Director Green asked the Director of Utilities to speak on this matter. Director of Utilities Kelly Dodds explained that he did look into the amount of Chlorine in the system at that time, and the levels are legally between 1-4 PPM (Parts Per Million). The District runs between 1.75PPM and 2.1 PPM.

Discussion ensued, and Director Green gave his condolences, but the district could not give out compensation due to the many variables.

Laverne Buckman, San Miguel resident explained to the Board that she received an email amending Title 22 and that it was different than the "San Miguel Community Plan" that was approved by The County Of San Luis Obispo Board Of Supervisors on (*December 6*, 2016 by Resolution 2016-306). Discuss ensued, about tiny houses and address needed, that have been identified by the Assistant Fire Chief, Young.

VIII. Special Presentations/Public Hearings/Other: Public Hearing to consider approving an Ordinance 03-2019 of the San Miguel Community Services District board of directors adopting the San Miguel Community Service District ("District") Wastewater Code. Director of Utilities introduced Ordinance 03-2019 District Wastewater Code, and read staff report aloud and informing the public that this was the second reading of the proposed Ordinance. Director Green asked for any public comment or protest and explained the adoption of the Ordinance will be in the action items coming up.

Board Comment: None **Public Comment:** None

IX. STAFF & COMMITTEE REPORTS:

San Luis Obispo County Sheriff
 San Luis Obispo County Board of Supervisors
 San Luis Obispo County Planning and/or Public Works

No Report
No Report

4. San Miguel Area Advisory Councilhe spoke about the Cannabis resolution previously and the Advisory Council meeting is on August 28th, 7:00 P.M.

Board Comment: None **Public Comment:** None

5. Camp Roberts—Army National Guard (LTC Horvath) LT. Lindsey Rancadore gave a verbal update that the next 30-day Nevada will be having their annual training, 143 fields and live fire, 400 on base over the weekend until Labor Day. Oregon's National Guard will be here in the next 3 weeks. California marksmanship will be at

20

Camp Roberts in September. Three planned hunts will take place in Sept and if anyone is interested in hunts please see: https://calguard.ca.gov/wp-content/uploads/sites/62/Camp_Roberts_Hunting/CampRobertsHuntingEvent2019.pdf
Lt. Rancadore reminded everyone that Camp Robert's drones are in a no-fly zone and

would like to have SMCSD help put out the word. Discussion ensued about technology that is being acquired to down unauthorized drones.

Board Comment: Director Kalvans thanked Lt. Rancadore.

Public Comment: None

6. Interim General Manager: Interim General Manager/ Fire Chief Rob Roberson, gave a verbal report. Mr. Roberson updated the Board of Directors the District Auditor will be at the office on September 9th to start the FY 18-19 Audit. Mr. Roberson also informed the Board that the Public Hearing in San Luis for the Hilo Daysprings Cannabis project was postponed to the 26th of September and reminded the Directors that all required ethics and Sexual Harassment must be finished. Interim General Manager/ Fire Chief Rob Roberson explained that Directors of the Board are going to be receiving W-2 for their stipends.

Board Comment: Director Green asked for clarification from District General Counsel about the W-2. District General Counsel Seikaly informed Director Green that she would have to look into it and get back to him.

Public Comments: None

7. District General Counsel: Presented by Counsel Seikaly. ChurchwellWhite, LLC. District General Counsel Seikaly informed the Board that she had sent an email to the SLO County District Attorney's office about the K. Johnson embezzlement case and hopes to have an update to the Directors.

Board Comments: Director Green asked for an update on the previous question about Directors being treated as Employees and receiving W-2. District General Counsel Seikaly voiced that she would have to look into it and doesn't recall the question from the last meeting. Discussion ensued about board stipends.

Director Kalvans voiced that he thought that it was an insurance issue.

Public Comments: None

8. District Engineer: Written report submitted as-is. Dr. Blaine Reely was absent from the Board Meeting and Director of Utilities asked if anyone had any questions that he could get them to Dr. Reely.

Board Comments: None **Public Comment:** None

9. Director of Utilities: Written report submitted as-is. Director of Utilities Kelly Dodds updated the Board that the District is now capable of receiving mattresses to recycle at the Machado Wastewater Plant. That he has been working with IWMA (Integrated Waste Management) to get the Mattress and E-waste programs going in San Miguel.

Board Comment: Director Kalvans asked if any of the recycling programs had any cost to the District. Director of Utilities Kelly Dodds explained that all the District is doing is paying for a Utility Worker to open the gate and help unload the mattresses into the trailer provided and is by appointment only.

Public Comments: Laverne Buckman San Miguel resident asked about E-waste for electronics and feels that people need more education on recycling programs. Director of Utilities Kelly Dodds explained that the district will start sending out the information in

21

English and Spanish. Discussion ensued about the new Recycling programs through Cal-Recycle.

10. Fire Chief: Fire Chief Rob Roberson, submitted the report as written. Chief Roberson updates the Board of Directors that the fire department responded to 16 calls in July and asked for any questions on his report.

Board Comments: Director Green asked about the repairs done on 8668. Fire Chief Rob Roberson explained that DEF pump went out, a discussion ensued about regulation being required by 2025.

Director Kalvans asked about the roads on the Terrace and wanted to make sure they are all compliant for fire response and wanted to make sure the Hilo Daysprings Cannabis farm will be held to the highest standards for fire access. Assistant Fire Chief Scott Young explained that they have been very receptive to all requirements and he has been to a preliminary site visit.

Public Comment: None

X. CONSENT ITEMS:

1. Review and Approve Board Meeting Minutes

- a) 7-25-2019 Regular Meeting Minutes
- b) 08-01-2019 Special Meeting Minutes

Board Comment: None **Public Comment:** None

Motion by Director Sangster to approve Consent items 1.a & b

Seconded by Director Palafox. Motion was approved by Vote of 4 AYES and 0 NOES and 1 ABSENT.

XI. BOARD ACTION ITEMS:

1. Review, Discuss, Receive and File the Enumeration of Financial Report for July 2019. Item was presented by Interim General Manager/ Fire Chief Rob Roberson explained that he would like to table item D Statement of Expenditures Budget vs Actual till next month. District Bookkeeper Paola Freeman voiced that she called the SLO County District Attorney's office in regard to the K. Johnson embezzlement case and was informed that there is a court date on August 29, 2019 at 8:30 am to determine if a jury trial is needed. Discussion ensued about full restitution.

Board Comment: Director Green asked about the claims clearing fund is? San Miguel Bookkeeper Paola Freeman explained that it is like a holding fund, until it is posted, and bank reconciliations are done.

Director Sangster voiced that the District is still falling short, Expenditures vs Revenue are about short when you add in payroll expense. Discussion ensued about the large one time a year expenses that were paid in this month.

Public Comment: Laverne Buckman voiced that she was glad we pulled item D, because that is what she had an issue with. Mrs. Buckman asked about page 9-15 claims detail – please explained the transfers from Pacific Premier? Mrs. Freeman explained that is the Interfund loan issue and will be discussed in the next item. Interim General Manager/ Fire Chief Rob Roberson explained that the Accounts are being renamed. Mrs. Buckman asked why Payroll was so high. Bookkeeper Poala Freeman explained that it was Fiscal Year-end and payouts for Vacation and Comp Time payouts; it is a use-it or lose-it policy.

Motion by Director Sangster to Receive and File the Enumeration of Financial Report for July 2019, excluding item D, July Statement of Expenditures Budget vs Actual.

Seconded by Director Kalvans. Motion was approved by Vote of 4 AYES and 0 NOES and 1 ABSENT.

2. Approve Resolution 2019-29 authorizing an Interfund Loan of \$200,000 from Lighting (Fund 30) to Water (Fund 50) to correct a negative balance in Water (Fund 50) and authorizing the Interim General Manager to execute a promissory note on behalf of the District. General Manager/ Fire Chief Rob Roberson explained that now the bank reconciliations are done to date, the Water Department is in a deficit and would like to make an inter-fund loan from Lighting to Water. Discussion ensued.

Board Comments: Director asked for clarification from the District Counsel about interest and had concerns about the length of the loan.

Public Comments: Laverne Buckman San Miguel resident voiced that from past experience the wording needs to be specific and detailed. Mrs. Buckman asked why the District would not just go get a loan?

District General Counsel reminded the Board of Directors that this is just Authorizing the General Manager to execute a promissory note. Discussion ensued about legal terms and how to determine an interest rate.

The consensus of the Board is to continue item when clarifications have been made. Board of Directors would like Interim General Manager and District General Counsel to work together on the legal terms and interest rate.

3. Discuss and approve ORDINANCE 03-2019 of the San Miguel Community Services District Board of Directors adopting the San Miguel Community Service District ("District") Wastewater Code Item presented by Director of Utilities Kelly Dodds explaining the requirements have been met and would like to adopt the Ordinance 03-2019 and asked for any questions.

Board Comment: Director Kalvans asked about new connections for industrial. His question is what happens when an industrial property that is permitted as agriculture comes and applies? Director of Utilities Kelly Dodds explained that it is what you're actually doing at the property because it is all about what is going to have to be treated at the Sewer Plant. Director Kalvans explained why he was asking, is what if a developer

wanted to build a place like Courtside Cellars and put the waste into the District Sewer facility, and asked if they would be able to build and operate their plant? It was explained that the State would not allow them to build their existing Treatment Facility with today's standards.

Director Green asked if Courtside's existing treatment plant is just a pre-treatment facility? Director of Utilities Kelly Dodds explained that they have a treatment plant just like ours but with new state regulations, they would not at this time be able to build it as they have it now. Discussion ensued about pre-treatment.

Public Comment: None

Motion by Director Sangster to Approve ORDINANCE 03-2019 of the San Miguel Community Services District Board of Directors adopting the San Miguel Community Service District ("<u>District</u>") Wastewater Code

Seconded by Director Kalvans. Motion was approved by Vote of 4 AYES and 0 NOES and 1 ABSENT.

4. Continue the discussion on assuming landscaping obligations as part of the lighting department as well as current and planned projects in the lighting department. Item presented by the Director of Utilities Kelly Dodds, explaining that at the July meeting it was discussed that the Board would like additional information on potential maintenance cost as well as what projects and costs the Lighting Department are expecting. The Lighting Budget was explained and electrical cost for streetlighting might go up around \$1.00 a streetlight. The potential total annual cost for all maintenance in landscaping would be around \$13,000, and the potential project cost assuming all lights are installed would be around \$175,000. Discussion ensued about types of plants and a planting plan, and if the Eastside of Mission Street gets developed, what would happen. Director of Utilities Kelly Dodds explained that the District would be working with the San Miguel Chamber and the SLO county water conservation group.

Board Comment: Director Palafox asked about the lighting fund and the inter-fund loan to water and wanted clarification that both can be done if needed.

Director Green voiced that he feels that the District should not commit to the Eastside of Mission Street.

Director Kalvans asked about a community facility's easement.

Discussion ensued about what types of plants that were planted by the County.

Director Green asked that the cost of plants, the scope of work with tree trimming, and a height limit of 24" in the bulbs of the planters. He would like staff to contact landscapers with a scope of work and get the cost to bring back to the Board.

Public Comment: Laverne Buckman San Miguel resident voiced her concern about new development on the eastside. Mrs. Buckman feels that if the District decides to take on Landscaping it would need to be spelled out in detail on what the District will do and what they would not be responsible for.

Mike and Mickey Sanders, San Miguel resident and business owner discussed what the planting plan would be, and the types of drought-tolerant plants that would be used. Discussion ensued about water usage and the general plan.

The consensus of the Board is to move forward in assuming landscaping but would like staff to bring back with the information requested.

5. Discuss and Approve Resolution 2019-30 approving amendments to the Memorandum of Understanding (MOU) between San Miguel C.S.D and SDRMA

Item presented by Board Clerk Tamara Parent explaining that the SDRMA Board of Directors approved amendments on June 26, 2019, to align the MOU with IRS guidelines, the Affordable Care Act and CSAC-EIA pool guidelines. The MOU amendments must be executed by the governing board of San Miguel C.S.D and returned by October 1st, 2019. If not received by November 1st, 2019 benefits will be terminated effective January 1, 2020.

Board Comment: None **Public Comment:** None

Motion by Director Sangster to Approve Resolution 2019-30 approving amendments to the Memorandum of Understanding (MOU) between San Miguel C.S.D and SDRMA

Seconded by Director Kalvans. Motion was approved by Vote of 4 AYES and 0 NOES and 1 ABSENT.

6. Discuss options regarding office space for the administrative offices of the San Miguel CSD. Item was presented by Director of Utilities Kelly Dodds, explaining that on April 25th, 2019 the Board reviewed preliminary information on addressing the District office space needs by relocating the administrative offices to the Wastewater Treatment Plant. As well as remodeling the fire station to meet the current and planned needs of the fire department. Mr. Dodds explained that several options were presented at the April Board meeting, the leading option is to incorporate the needed administrative offices into the new building at the wastewater treatment facility as part of the WWTF expansion. Discussion about the County and the requirements needed for a traffic study of customers impacting area. Item was presented by Director of Utilities Kelly Dodds also explained that Over two years ago, Staff developed a concept plan to address the need for office space and a larger meeting room next to the existing fire station. This concept was based on the new building having first-floor admin offices and meeting room, with second-floor storage and living space for the duty fire personnel. The concept shown shows the new building and the fire station virtually connected. They will likely have to be separated by a greater distance than what is on the plan to prevent having to use a higher construction standard, increasing the construction costs of the building.

Board Comment: Director Kalvans asked about if the Steel building would be expandable? Director of Utilities Kelly Dodds explained to make the building longer, yes. Director Kalvans also asked if staff had talked to neighboring lots next to the existing fire station, and to discuss the option of a 3-P project with the adjacent landowners. Interim

General Manager/Fire chief Rob Roberson explained that something needs to happen with office space and voiced that it is fast becoming functionally dysfunctional.

Director Palafox voiced that he feels that the District needs to build the office space and that the Fire Department is needing to grow. Discussion ensued.

Director Green voiced that the District raised the rates and maybe the District could lower the rates if we do not build additional office space and potently could save money. Director of Utilities Kelly Dodds explained that the preliminary design has little to do with the rates, and that staff is working to utilize as much of the existing structure as possible.

Director Green voiced that he thought the project is too grand.

Director Kalvans voiced that to justify this building, the Sherriff Substation would be mandatory. The community has voiced their concerns and feels that it is a must to have in the community. Director Kalvans also asked if the staff has reached out to the H.O.A in Mission Meadows.

Director Green voiced that he did not like having the customers come down that residential street and likes the facility in the center of town and would like the staff to look into a cashier's office in town.

Director Sangster voiced that he liked the price and building a facility next to the existing building is 1.2 Million and that is a conservative estimate. Director Sangster voiced that he feels that staff is going in the right direction but there needs to be a significant benefit to the community. There needs to be a Sheriff substation in this existing building and there needs to defined improvements to this building, the San Miguel Fire Department needs to benefit from the overall use of this building. Locating the offices down at the Wastewater Facility, even if not ideal could be a temporary solution.

Director Kalvans voiced that we need a plan for a Sheriff substation. Agreed with Director Sangster's comment.

Director Palafox agreed with Sangster's and Kalvans.

Public Comment: Laverne Buckman voiced that she would like to see a plan on what the facility would be used and needed for and feels that the Public needs to be educated on the state regulations. Mrs. Buckman asked who would be paying for what? Director of Utilities Kelly Dodds explained that they are trying for grant funding, but we could be paying for the whole thing.

Discussion ensued about having a Workshop and traffic in the residential area.

The consensus of the Board is to move forward and bring discussion about the existing Fire Station/CSD office building.

7. Discussion on the status of Machado Wastewater Treatment Facility expansion and aeration upgrade project. Item was presented by the Director of Utilities Kelly Dodds informed the Board that they have a response from DFA, Department of Financial Assistance and they are at the end of reviewing the application for the construction drawings for the Wastewater facility.

Board Comment: None **Public Comment:** None

8. Review and approve a Memorandum of Agreement (MOA) between the San Miguel Community Services District and Wilson Creek Communication for use of District property to install a repeater tower for wireless internet. Item was presented by Director of Utilities Kelly Dodds explaining that Wilson Creek Communication (WCC) inquiring whether they may be able to install a wireless internet repeater at the San Miguel Reservoir site. This repeater would enable WCC to provide free internet to the Rios Caledonia to run a credit card machine. The Board asked staff to investigate the viability of using this same service to provide internet to District sites as well. WWC is willing to provide service to six District sites in exchange for being allowed to use the repeater for other paying customers. Director of Utilities Kelly Dodds explaining that if the MOA is approved WWC will install repeater equipment at the Tank site and provide service to the District sites, at WWC's expense. The District will provide power to the repeater and will provide routers and cameras at the serviced facilities.

Board Comment: Director Sangster asked if it is encrypted and secure? Director of Utilities Kelly Dodds voiced that he had the District "Local IT Experts" review and it was explained that all of the District information would be secure from the internet. The District would have a VPN, over wireless cards. The video cameras will be brought to the Board in November.

Director Kalvans asked that the video is of high quality, so it can be used in an investigation if needed. Discussion ensued about types of cameras and the Firefighter Association placing cameras at Station 1.

Director Sangster voiced that he was concerned with the language for termination of services and feels that one year is too long. District General Counsel Helane Siekaly voiced that she was not concerned with the year, Discussion ensued about the language.

Director Green voiced that he has talked with the WCC and feels that a year is good and asked for a proposal for new Security Cameras.

Director of Utilities Kelly Dodds voiced that he will ask for a 6-month termination.

Staff Comment: Assistant Fire Chief spoke about the Firefighter Association and their ideas for cameras and where they will be located; as a community project.

Motion by Director Kalvans to approve the Memorandum of Agreement (MOA) between the San Miguel Community Services District and Wilson Creek Communication for use of District property to install a repeater tower for wireless internet, with a change to Section 14. Termination in writing at least 6 months prior, but if WCC doesn't except the 6-months then 1-year would be fine.

Seconded by Director Palafox. Motion was approved by Vote of 3 AYES and 1 NOES and 1 ABSENT.

Director Green asked that it be put on record that he would approve one-year

XII. BOARD COMMENT: Director Green asked about where the Pro218 issue would be discussed. Board Clerk informed him that it is on the future board meeting list and that as Board President he would be setting the agenda.

District General Counsel Seikaly voiced that the Board would be going back into closed session at 10:46 P.M.

Report out of Closed Session: 11:13 P.M. Counsel Seikaly voiced that staff was given direction.

XIII. ADJOURNMENT TO NEXT MEETING 9-26-2019 Regular Meeting: Approximately 11:14 P.M

San Miguel Community Services District

Board of Directors

September 26, 2019 AGENDA ITEM: XI -1

SUBJECT: Bookkeeper Report for August 2019

RECOMMENDATION: Review and File the Enumeration for Financial Reports for August 2019.

August 2019 Payroll Expense: Total CSD Payroll \$65,310.76 (including all liabilities)

Please see cash reconciliation procedure in manual or call for more details.

San Miguel Community Services District

Board of Directors Staff Report

September 26, 2019

AGENDA ITEM: XI-2

SUBJECT: Review and approve Resolution 2019-31 authorizing the purchase of computer servers and computer towers from DELL and the configuration of those computers by Local IT Experts in an amount no to exceed \$18,000 to be paid from Fire, Water and Wastewater capital reserves.

RECOMMENDATION: Review and approve Resolution 2019-31 authorizing the purchase of servers, computer towers and the associated setup cost and authorize the General Manager to sign the purchase order in accordance with District purchasing policies

The District currently utilizes eight computer work stations to manage District Operations. Two of those work stations were replaced with Tablets last year and one was replaced this year. The remaining 5 work stations are due to be replaced this year in order to maintain our functionality and security.

The general functional life of a computer tower is four years, after four years the hardware in the tower or server is at risk of failure, and the software supporting the systems is out of date after that time. In our case, will no longer be supported. This can lead to an increased risk of system failure and or potential for devastating viruses to breaches our system which could wipe out our data.

Based on meetings with Local IT Experts, they are recommending that we replace the remaining five works station towers this year. They also recommend that we replace the existing server as it is also at the end of its functional life.

What is being proposed by Local IT Experts, after holding staff meetings to determine the needs over the next five years, is to replace four of the five towers with new towers, and replace one tower with a docking station to utilize an existing laptop for mobile connectivity. They are recommending replacing the existing server with a new server as well as adding a redundant server to provide back up for district data and operations in the event of a catastrophic failure of a server.

Starting two years ago, the District started planning and budgeting for IT needs for the short-term as well as the long-term needs of the District. Last year the District purchased the first Tough pads to bring connectivity and efficiency to the fire prevention staff and field operators.

Local IT Experts Will provide a presentation on functionality and status of our system.

Amount available in Capital Reserve as of 9/19/19:

Fire Capital Reserve \$202,417.24

Wastewater Capital Reserve \$202,235.91

Water Capital Reserve \$14,604.74

Total Capital Reserve Request \$18,000

Fire Capital Reserve \$6,000

Wastewater Capital Reserve \$6,000

Water Capital Reserve \$6,000

Project cost: \$18,000 (hardware and setup)

Attachment: Resolution 2019-31

RESOLUTION NO. 2019-31

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN MIGUEL COMMUNITY SERVICES DISTRICT AUTHORIZING THE PURCHASE OF REPLACEMENT SERVERS AND COMPUTER TOWERS IN AN AMOUNT NOT TO EXCEED \$18,000 EQUALLY PAID FROM FIRE, WATER AND WASTEWATER CAPITAL RESERVES

WHEREAS, the San Miguel Community Services District operates five different Departments (Funds); including Fire, Lighting, Wastewater, Water and Solid Waste.

WHEREAS, the District maintains Fire, Water and Wastewater Capital Reserves for the purchase and improvement of equipment, facilities and infrastructure.

WHEREAS, the current computer servers and towers are at "end of Life" and the need to protect District data and computer operability is of the utmost importance;

WHEREAS, loss of District data and or loss of work productivity would be at an even greater cost then the replacement of the hardware and the replacement of this equipment is in the best interest of the District;

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the San Miguel

Community Services District ("District") hereby approves purchase and configuration of replacement servers and computer towers for the District in an amount not to exceed \$18,000 paid equally from Fire, Wastewater and Water Capital reserves.

On the motion of Director _______, seconded by Director ______, and on the following roll call vote, to wit:

AYES:

NOES:

ABSENT:

ABSTAINING:

the foregoing Resolution is hereby passed and adopted this 26th day of September 2019.

Board of Directors Staff Report

September 26, 2019

AGENDA ITEM: XI-3

SUBJECT: Review and approve Resolution 2019-32 authorizing \$21,000 from the Operational Budget: Repair and Maintenance to replace the Pump Motor and column piping at Well 3

RECOMMENDATION: Approve Resolution 2019-32 authorizing \$21,000 from the Operational Budget: Repair and Maintenance to replace the Pump Motor and column piping at Well 3.

September 9th as alarm was raised at Well 3 for pump failure. Upon inspection a dead short was found at the well motor. This could have been a short in the motor or in the wiring to the motor, but either way the equipment had to be pulled to make a final assessment.

The failure of this well equipment, at this time of year poses a high risk to the ability to provide water to the community and needed to be mitigated as soon as possible.

After discussion between the General Manger and Director of Utilities about the situation and potential actions it was determined that this fell within the emergency condition as defined by the purchasing policy. Awalt and Sons was directed to extract the pump equipment for repair and to order a replacement motor to have on hand when the pump equipment was pulled.

September 19th the pump equipment was pulled. Although the pump equipment has only been installed less than 2 years, there was significantly more tuberculation on all the pipe below the water level and significant deep pitting along the same pipe sections. The pitting is likely due to electrolysis, the cause of the electrolysis is currently unknown but Awalt and Sons is contacting the motor manufacturer (Goulds) to assess the cause and determine what if any thing can be done to mitigate it. During the extraction the wiring was visually inspected, and no issues were found with the wiring. However, when the motor was finally extracted, two small but distinct arc marks were found in the casing of the motor. The motor also had significant grinding upon turning by hand. Awalt and Sons tested both the wiring and motor and found the wire to be within spec and the motor had a direct short.

The cost to extract the pump equipment was \$2,300 and the estimated cost for a replacement motor, column pipe and installation is \$18,700

The work regarding this replacement is scheduled for the week of September 23rd, this it is a retroactive approval in order to commit Operational Funds from the Water Department.

PREPARED BY:

Kelly Dodds

Attachment: Resolution 2019-32

RESOLUTION NO. 2019-32

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN MIGUEL COMMUNITY SERVICES DISTRICT AUTHORIZING WATER OPERATIONAL FUNDS FOR THE REPLACEMENT OF THE WELL MOTOR AND WELL COLUMN PIPE AT WELL #3 IN AN AMOUNT OF \$21,000

WHEREAS, the San Miguel Community Services District operates five different Departments (Funds); including Fire, Lighting, Wastewater, Water and Solid Waste.

WHEREAS, the District has Operational Funds budgeted for Repair and Maintenance of Infrastructure for the Water Department.

WHEREAS, on September 6th, 2019 District Well #3 suffered a catastrophic failure of the well motor rendering the well out of service.

WHEREAS, loss of this well site is an immediate threat to the safe and consistent production of potable water and fire protection water for the community.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the San Miguel Community

Services District ("District") hereby approves use of Operational funds in an amount of \$21,000 to replace the Well motor and column pipe at District well #3

On the motion of Director ________, seconded by Director _______, and on the following roll call vote, to wit:

San Miguel Community Services District

9-26-2019 AGENDA ITEM: XI-4

SUBJECT: Review and Discuss of Automated Bank Drafting (ACH) for Utility Billing Customers

RECOMMENDATION:

Implementation of ACH Module for Utility Billing, Automated Bank Drafting

BACKGROUND:

At this time, we have two options for credit card payment:

- 1. Call or come into the CSD office and make a payment with our Account Clerk, minimum of 2 to 3 minutes each of clerk's time.
- 2. Go to the CSD Website make an account with our credit card processing company and make a one-time payment or put their account on autopay.

Both of these options have to go through our Credit Card Processing company Billing Documents Specialist (BDS) and a \$2.00 or 3% Fee (whichever is highest) is charged per credit card transaction to the customer, those fees are paid to BDS. Due to customer complaints, I have researched an alternative and after talking with Heritage Ranch CSD and San Miguel Garbage Company I have found that most places use Automated Bank Drafting (ACH).

Solution:

San Miguel C.S.D has owned an add-on module from Black Mountain since 2013, that will debit customers bank accounts and credit customers Water/Sewer accounts. After each billing, the Utility Billing System will generate a file containing transactions for each participating customer, then following our banks instructions the file will be delivered to Pacific Premier Bank for processing. (see Video) ACH will be processed at the same time each month; our Utility Billing module already has a place to fill in customers banking information. The Billing Clerk will use an Automatic Payment Authorization Form, with a voided check or credit card. After processing Utility Billing will communicate with the Accounting Module through Journal Vouchers when a batch payment has been made.

We will also be able to run reports easily that will show account numbers, customer name and payment amount by service type, postdate and receipt number keeping our records up to date.

The convenience of automatic payments will curb the customer complaints about the service fee for credit card payment, and give our customers the service that they have come to expect from the Community Services District.

Fiscal Impact

Board of Directors Staff Report

September 26th, 2019

AGENDA ITEM: XI-5

SUBJECT: Continued Discussion on the status of the Machado Wastewater Treatment Facility expansion and the aerator upgrade project.

RECOMMENDATION: Discuss status of the Machado Wastewater Treatment Facility expansion and the aerator upgrade project.

CURRENT STATUS:

WWTF

The existing plant upgrade was completed in 2001, at that time it was upgraded to a maximum capacity of 200,000 gallons per day.

COMPLIANCE – Based on the 1st quarter 2019 testing the plant is in compliance for single sample but is out of compliance for the 6-sample average in regard to TDS, Sodium and Chloride

FLOW – In *June* the plant averaged <u>144,586 gallons per day</u> (**72% of hydraulic design capacity**) with a *max day of 208,514 gallons* (**104% of hydraulic design capacity**)

On 6/18/18 the District received a letter from SWRCB outlining the status of the plant and setting a timeline of approximately 2.9 years before the plant reaches capacity. This is the window to complete the expansion to prevent potential overflows and potential violations.

Monsoon Consultants is currently working on design requirements and options to meet current/future and proposed regulatory requirements.

- The initial DRAFT of the WWTP Expansion engineering report, which includes a discussion of several design alternatives, was delivered to staff for review and comment on August 20th.
- Input from Staff was provided to Monsoon Consulting, and the list of potential expansion design alternatives were "short listed" and these will be taken to the next level of design.
- The DE made a presentation to the Board at the regular November 2018 Board Meeting in which he summarized the results of the engineering study and identified the "short list" of treatment plant expansion / upgrade alternatives.

- On December 11th and 12th, Kelly Dodds and Swarnjit Boyal, project engineer from Monsoon Consultants, visited three (3) existing wastewater treatment plants (WWTP) to meet with operations staff and tour the facilities on two possible upgrade options for the San Miguel Waste Water Treatment Plant Upgrade. These systems included one Sequencing Batch Reactor (SBR) and two Membrane Bio-Reactor (MBR) systems.
 - o Arroyo Grande, Cypress Ridge WWTP Facility SBR
 - o Auburn, Lake of the Pines WWTP Facility MBR
 - o Modesto, Modesto WWTP Facility MBR
- The DE delivered the Final engineering report to the Board at the regular January 2019 Board Meeting and the Board subsequently approved the report. Costs associated with the preparation of the engineering report are reimbursable from an IRWM Prop 1 DAC Involvement Grant that the District was awarded in early 2018. The amount of the available grant funds is \$177,750.
- The District submitted the Final Engineering Report to the RWQCB for their review and comment. They reviewed the report and the DE and Director of Utilities met with RWQCB staff on February 28th to discuss future project phases, requirements, funding, permitting and schedules.
- The District has submitted the Final Engineering Report to PG&E for their review in advance of a meeting to discuss future WWTP electrical service requirements and the potential for technical / financial assistance for the WWTP expansion / renovation.
- The District also applied for a service change to PG&E to begin the process of determining the extent of improvements needed to service the new power requirements.
- The District applied to SoCal Gas for service and is in the process of determining costs to bring gas to the plant.

AERATOR PROJECT

5/17/18 WSC has issued the Final Technical Memorandum outlining some of the options for the replacement of the existing surface aerators with bubbler aeration in the ponds. Part of the recommendation is to install a headworks to prevent fouling the diffusers.

The Energy Watch and PG&E are working on preliminary paperwork for On Bill Financing for this project once it is ready.

The aeration project is being modified as part of the overall expansion of the WWTF. It is possible that the original project will be scrapped in favor of other assistance available from PG&E.

FUNDS EXPENDED

Total Costs incurred to date

- Property acquisition \$240,140 (Paid with Capital Funds not covered under any grant FY2016-17)
- Engineering \$117,740 (Reimbursable through the IRWM Grant)

GRANT FUNDING

Awarded

• Integrated Regional Water Management (IRWM) Prop 1 DAC -- \$177,750 for Wastewater plant upgrade analysis, basin recharge study.

The agreement for this grant was received in February 2019 and has been processed and returned, invoices have been submitted to IRWM and the District should receive reimbursement for the initial requests after July.

Applied for/ to

- State Revolving Fund (SRF) -- \$250,000 for construction design and engineering DFA has confirmed that the application is complete, and the District is waiting on final approval before proceeding on this phase.
- Started discussion with SLO County on potential for CDBG funds to help pay for construction. Application is in process.
- Preparing to apply to DWR and USDA

NEXT STEPS:

WWTF

Now that the FINAL engineering report is completed and has been approved by the Board, the DE has begun working on a proposed a schedule/ timeline which will be presented to the Board for the preparation of construction documentation, environmental / regulatory compliance measures, and permitting. At that time, the DE will provide cost estimates associated with that schedule.

One of the first things that will be needed will be a headworks and larger lift station. Once a capacity is determined that will be brought to the board for approval.

Based on discussions with the DE, we anticipate that in February 2019, the DE will initiate the preparation of the work plan for the CEQA "Initial Study" and begin the final design phase for the recommended WWTP upgrade and expansion design alternative. We have scheduled approximately 9 months to complete the final design and the preparation of the Construction / Bidding Documents. Pending receipt of notification of a grant award for the SRF funds, we plan to prepare and issue an RFP for Environmental Studies as required for CEQA/ NEPA Compliance for the recommended WWTP upgrade and expansion design alternative. The timing of the environmental compliance & permitting work will coincide with the completion of the final design phase. Under our currently planned schedule, the District should plan on initiating the process of obtaining financing for the WWTP upgrade and expansion project during the second quarter of 2019, with the goal of having financing in place to advertise and award a construction project in the 4th Quarter 2019.

Depending on the revised release date of funds for construction documentation from the DFA it is likely that, in order to meet our deadline, the District may need to pay out of pocket for some of the construction design work.

AERATOR PROJECT

Once design criteria are determined for the WWTF and it is determined that the aeration upgrade will be maintained with the plant expansion then staff will bring additional items to the board to acilitate the approval and construction of the aeration upgrade.
COUNT DOWN CLOCK
Notice issued – June 2018 Deadline given – March 2021 (2.9 years)
Time remaining—1 year 05 months (17 months)
TISCAL IMPACT
No impact resulting from this information.
RECOMMENDATION
his item is for information and discussion only.
Due to the limited time frame this item will be updated monthly and the Board will likely have additional items for approval in conjunction with this report.

San Miguel Community Services District Board of Directors Staff Report

September 26, 2019

AGENDA ITEM: XI-6

SUBJECT: Provide direction to staff on how the Board wishes staff to proceeded with the current 2nd floor remodel project.

RECOMMENDATION:

Provide direction to staff on how the Board wishes staff to proceeded with the current 2nd floor remodel project.

The current 2nd floor remodel has been placed on hold as directed by staff on or about February 2019.

Staff is seeking direction on how the Board wishes staff to deal with the current state of the project based on the processes listed below.

- 1. Continue with the project in its current state relating to documentation, and inspections achieving a level of completion.
 - a. Complete scope of work and define intended use for the space.
 - b. Acquire bids form local subcontractors required to complete the space.
- 2. Obtain pricing form design consultants for construction documentation required to apply for County permits required for bidding and construction purposes.
 - a. Seek pricing from design consultants for preparation of construction documentation.
 - b. Provide construction documentation to contractors via a bid process and receive competitive bids based on the approved ready to issue documentation.
 - c. Review all bids and decide if the project is financially feasible.
 - d. Continue with the Boards determination based on acquired information.
- 3. Return the 2nd floor area to a condition resembling the prior configuration as closely as possible allowing for future buildout once the District offices have been relocated to the new facility.
 - a. Complete scope of work for the space.
 - b. Acquire bids from local subcontractors required to complete the space.
- 4. Do nothing and allow the project to remain in its current state.

FISCAL IMPACT:

The fiscal impact shall be provided based on the Boards direction prior to the commencement of any activity.

PREPARED BY: Scott Young APPROVED BY: Rob Roberson
